

## Sports Review

LAST YEAR WAS  
A BANNER ONE FOR HUC...

Why? Well, let's look at the record.

### Varsity Basketball

Winner of the Eastern Pennsylvania Junior College Championship and runner-up for the State Championship.

### Varsity Swimming

Runner-up for the state championship, capturing titles in the diving and 220 yd. free-style relay events.

### Varsity Tennis

There was no team championship, but Capt. Jimmy Howells won the singles championship, and our doubles team was defeated in the semi-final round.

### Varsity Golf

Our team placed fourth in the state championships, with Capt. Jack Specht placing third for individual honors.

This year there is every hope for and possibility of duplicating or bettering the feats of the past year. Of course the strength of a team is largely determined by the relative strength of the opposition, and it appears that almost all of the opposing teams will be considerably stronger this year. If our sports representatives display the cooperation and determination exemplified by our past performers, then we may anticipate what may be the most successful year in sports ever to have been reached by H.U.C.

One essential for the success of our team is the loyal support of our followers as shown by their interest and cooperation. If you cannot be a participant, be a good supporter of our teams!

## PLANING EXTENSIVE ATHLETIC PROGRAM

During the academic year it is the desire of the athletic department to carry on an extensive intramural athletic program. Several of the activities planned for intramural competition during the fall semester are:

- Badminton
- Basketball
- Bowling
- Swimming
- Table Tennis

The activities to be included in the program will be determined by student interest in the program, facilities, schedules and personnel.

The female students are invited to participate in the program in either all female or mixed competition. Every one is eligible, including those who participated in varsity competition last year.

So that we may start the program as soon as possible, make known your interests to Mr. Rudman, athletic director, immediately.

Life is mostly froth and bubble;  
Two things stand like stone:—  
Kindness is another's trouble,  
Courage is your own.

—YE WEARY WAYFARER

## THE PLAY OF THE YEAR

By Jack Riley

Capt. HUC Basketball Team

An outstanding and intricate basketball play is difficult to explain, especially on paper; but in my book, the laurels for the basketball play of the year go to Al Durback and Johnny Appichella, two great team workers on the HUC Eastern Conference championship squad.

The play I have in mind occurred in a game played at Williamsport between HUC and Dickinson J. C., and though the Dickinson team beat us almost as decisively as we beat them on our home court, the Appichella-Durback play was the best of the game and of the season, as far as I am concerned.

Durback, taking the ball out under Dickinson's hoop, wound up and heaved a "football pass" the length of the Williamsport High School court (which is one of the largest in the state) to the fast moving Appichella. Appy's timing was perfect! Just a foot ahead of his guard he grabbed the ball, pivoted and dropped the ball through the hoop for two more points.

The play was executed so swiftly that there was a stunned silence for a moment before the spectators roared their approval.

I think it will be a long time before I see a basketball play to rival the one executed by Johnny Appichella and Al Durback.

## FRESHMAN CUSTOMS

Frosh dinks and name cards are to be worn from 8 a. m. to 5 p. m. except in the school buildings. In addition, the dinks are to be worn to all college-authorized functions that may be held in the evenings. The name cards are to be suspended from the neck by a string and the card should be worn about chest high. The name should be printed in the following way: Doe, John R.

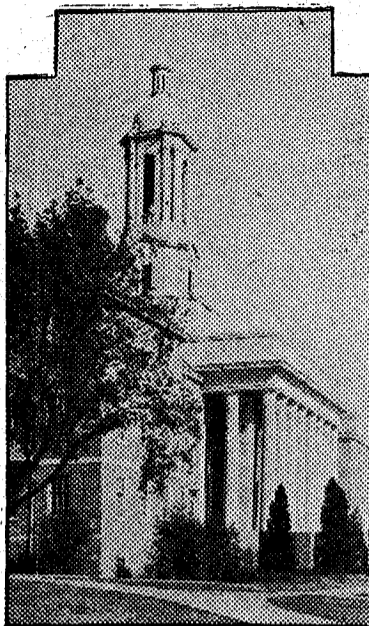

The lettering must be at least two inches high and the card must be at least ten inches long. The student must be able and willing to sing the first and last verses of the ALMA MATER of Penn State upon request by an upperclassman. The freshman and upperclassman shall stand while the ALMA MATER is being rendered.

Violators of all FRESHMAN CUSTOMS are subject to disciplinary measures by the college council.

Freshman customs will become effective on Monday, September 29, at 8:00 a. m., and will continue until the freshman talent party on or about November 21, at which time the student faculty board will determine if customs are to cease or to be continued until December. The board members will base their decision upon the talents displayed by the freshman class at the party.

Up Anchors! Up Anchors!  
Set sail and away!  
The ventures of dreamland  
Are thine for a day.

## OLD MAIN

The administration building of the Penn State College.

## New Math Instructor

One of the out-of-state faculty members of the Hazleton Undergraduate Center this semester is Miss Margaret Liechty, instructor in mathematics, who comes from Youngstown, Ohio.

Miss Liechty, the daughter of Mrs. Grace Liechty and the late Attorney David W. Liechty, attended Oberlin College, in Oberlin, Ohio, where she majored in mathematics and received her bachelor of arts degree.

While in college, Miss Liechty belonged to the Y.W.C.A., Women's Athletic Association, Mathematics Club and Musical Union.

## Center Plans Faculty Club

The third day of the Hazleton Undergraduate Center faculty week program was highlighted by an organization meeting of the Center's faculty club.

John Carr, instructor in chemistry, presided at this meeting and explained to the new teachers the purpose of the faculty club and outlined some of the projects he hoped staff members would take an interest in during the 1947-48 school year. It was proposed that officers be elected for the fall term, but this idea was rejected when it was decided that club officers should be elected at the next meeting, to be held Friday.

Earlier in the day, Ralph Krecker, assistant professor of economics, outlined the duties of student counsellors and answered faculty members' questions concerning this subject.

The assistant administrative head of the Center, Richard J. Mattern, acted as general chairman of all the meetings held during the day.

The faculty week program will end Sunday at 8 p. m. at which time registration procedure will be discussed and faculty assignment made for freshman week.

**Smoking is not permitted in the library. At evening meetings held in this room the rule is relaxed, but during the day, smoking is prohibited in the library. PLEASE NOTE AND REMEMBER.**

It matters not how a man dies, but how he lives.—Johnson.

He is no wise man that will quit a certainty for an uncertainty.
