

## "It's A Sad Day In Flatbush"

As radio commentator Gabriel Heater would say, "It's a sad day in Flatbush".

For many a day the fellows who hang around the corner candy stores and delicatessens in Brownsville and East New York will replay the 1947 World Series in which their beloved Bums went down in defeat at the hands of the boys across the river, the New York Yankees.

Yesterday after trailing in the third inning, 2-1, the Bronx Bombers hopped on Hal Gregg in the bottom half of the fourth to push two runs across the plate, sending the Brook hurler to the showers. Hank Behrman came in the fourth, but he had to be assisted in the sixth by Joe Hatten and Rex Barney. Fireman Hugh Casey came in the seventh and finished the game.

Shea started for the Yanks, gave way to Bevens in the second, and Joe Page who entered the game in the fifth.

Probably the most dejected player was Bruce Edwards, the Brooklyn backstop, who hit into a double play in the ninth with one out.

The attendance for the final game of the series was approximately 71,548. Net receipts were \$319,778.09.

### HOMECOMING TRIP PROPOSED

It was reported as THE COLLEGIAN went to press that interested groups are forming plans, subject to administrative approval, for a motor caravan to the Penn State-Syracuse homecoming game. It was proposed that a bus be chartered for the Oct. 11th event.

Tentative schedule includes leaving Hazleton early Saturday morning, arriving at State College in time for a football luncheon, viewing the game and climaxing the day with attendance at the giant Thespian Revue.

Due to limited hotel accommodations the return trip will be made the same day. Watch the bulletin board for further information.

### Basketball Practice To Start Monday Evening

Varsity and junior varsity basketball practice started Monday evening at 6:30 o'clock at the A. D. Thomas Memorial Gymnasium, Third and Grant streets, it was announced today by Syd Rudman, athletic director.

All men interested in trying out for the squads have been asked to report for the opening session. Those students who did not play on high school basketball teams are urged to attend, since only half of last year's team played scholastic ball.

Among the candidates which Coach Rudman expects to turn out for the first practice are several veterans of last year's club and a host of excellent new material. Pete Garber, ex-Weatherly High courtman, Joe Appichella, brother of Johnny Appichella of last year's squad, who played with Hughie McGeehan's Hazleton High School quintet, Eddie Breznock, also of HHS fame, and "Statz" Laganoski, Foster Township High School court ace, are just a few of the expected aspirants for this year's cage squad.

Practices will be held every Monday, Wednesday and Friday night from 6:30 to 8:30 p. m.

A heavy schedule is being arranged for both varsity and junior varsity squads against various colleges and junior colleges in the state.

Coach Rudman made it clear that all positions on the team are open. Varsity competition, he added, will not bar a player from competition in intra mural sports.

### 2 Brothers Vie For Nittany Grid Posts

Two brothers, both veterans of World War II, may play on the 1947 Nittany Lion eleven.

With the second game of the season to be played tomorrow against Bucknell, Joe Drazenovich and Charles "Chuch" Drazenovich are making their bids for starting assignments.

Joe, who tips the beams at an even 200 pounds, is a year older than his brother. Chuck, who played at the center position in scholastic ball, is now a leading candidate for the blocking back post.

Joe came to the campus as an 18-year-old freshman three years back, was transferred from his regular guard spot to blocking back, but is now back in the line. The 20-year-old Chuck went through the same process in reverse.

The two gridsters came to Penn State from Brownsville (Pa.) a year apart. Joe arrived in 1944 and went into service at the end of the season. Chuck matriculated a year later and he, too, went to war at the end of the season. The two have returned to the campus and are in their second year of college football. Coach Bob Higgins expects both to star.

Chuck, who weighs 215 pounds, went to the West Coast as a member of Andy Kerr's Eastern All-Stars for the East-West game, and saw some service as understudy to Penn State's center, Bronco Kananovich.

### NEW RECORD ALBUMS

Miss Garbrick, music instructor, announced that 50 additional albums of classical and semi-classical music have been placed in the music library, making the total of 105 albums of music available for the use of HUC students.

### Intra-Mural Athletic Program Is Planned

An intra-mural program of athletic activities beginning with the formation of a basketball league has been planned, according to Syd Rudman, athletic director.

Several notices have been posted on the bulletin board in the Walnut Street building for those to sign who are interested in participating in an intra-mural sports program.

Mr. Rudman stated that he hoped the program would get off to a good start about October 13 or 14. At this point, the list of entries in the basketball league consists of only two or three teams. A league of eight or ten squads is desired.

### Plan Girls' Basketball Team

Mr. Rudman has announced that all those interested in the formation of a girls' basketball team contact him at once.

One of the women on the faculty who has had experience in coaching athletics will be in charge of the team.

### MANAGERS WANTED FOR CENTER BASKETBALL SQUAD

Coach Syd Rudman announced that students interested in becoming managers for the Hazleton Undergraduate Center's 1947-48 basketball squad are to report to the A. D. Thomas Memorial Gymnasium, Third and Grant streets, at the opening session of basketball practice this evening.

It is desirable, Mr. Rudman asserted, that candidates for the post should possess the following qualifications:

1. Willingness to work.
2. Understand the principles of first aid.
3. Be able to operate a car.
4. Be able to report games to the newspapers.
5. Be able to compile records and statistics.
6. Ability to type.

### THESPIANS ORGANIZED

The Thespian organization of HUC was formally organized Tuesday evening when over 40 students met at the Walnut Street Building.

The Thespians are composed of the Glee Club and the Dramatic Club as well as writers and technicians who will assist in producing radio programs.

The first broadcast is scheduled for Thursday, October 30, at 1 p. m. Thereafter broadcasts will be given every third Thursday of the month.

The Thespians will meet every Tuesday evening at 7 o'clock at the Walnut Street Bldg. Students interested in joining the club are requested to attend next week's meeting.
