HEADS ACTIVITIES BOARD

Joseph Fisher

Activity Board Elections Held

An organizational meeting of the Activities Board was held on Thursday, October 23, at which time elections were held for the board officers. The results of the elections were as follows:

Chairman—Joe Fisher.
Vice-President—Paul Wensko.
Secretary—Jerry Hassel.
Treasurer—John Polivka.

After the elections the board made plans for the Harvest Dance to be held on Friday, November 14. President Fisher appointed the chairmen and members of the various committees necessary in the successful administration of the affair.

Mr. Rudman, Advisor of the Activities Board, started the meeting and then turned it over to Joe Fisher, President of the Activities Board. There were only a few of the college clubs which failed to send their delegates to the meeting.

It was learned three hours before COLLEGIAN went to press that Billy Rose, proprietor of the famed Diamond Horseshoe night club in New York City, has consented to judge a contest conducted by COLLEGIAN to select a "Court Queen" to reign throughout the 1947-48 basketball season at the Hazleton Undergraduate Center.

Mr. Rose, remembered for his promotion of Acquacade at the New York World Fair and at the Cleveland Centennial celebration, wrote that he would be pleased to cooperate with COLLEGIAN in an effort to decide what girl from the Hazleton Center should reign as "basketball belle" during the approaching season.

All girls attending the Center are eligible to compete for the crown. To become an entrant, each coed interested must submit a glossy print photograph. The photograph should be brought to the COLLEGIAN office in the Walnut street building. The photographs will be sent to Mr. Rose and his decision, of course, will be final. All photographs will be returned to the owners.

Those girls wishing to compete for the title "Hazleton Undergraduate Court Queen" must have their photographs in the COLLEGIAN office no later than Friday morning, November 7th.

Mr. Billy Rose, who has graciously consented to choose a "Court Queen" from the photographs submitted by co-eds of the Hazleton Undergraduate Center, is a man of many capabilities.

For many years his name has been synonymous with show business, but in addition to being a successful showman, he is the author of a daily syndicated column called "Pitching Horseshoes", a feature which is in demand in all cities, towns and hamlets where newspapers are published.

Though not the holder of the title at present, Mr. Rose was for several years the world's fastest typist, and he still enjoys competing against other rapid-fire typists.

Not so many seasons ago, Mr. Rose formed his famous Acquacade unit. The female star of that spectacular show was Eleanor Holm, the former Olympic swimming star. Today Eleanor Holm is Mrs. Billy Rose.

SOPHOMORE WOMEN TO MEET

There will be a meeting of all the Sophomore women on Wednesday at 12:30 in the Walnut Street Library. It will be short but extremely important.
