HAZLETON UNDERGRADUATE CENTER, HAZLETON, PA.

November 14, 1947

SEASON'S INITIAL DANCE TONIGHT

Undergraduate Center's Student Councils Conference Underway

With a gala banquet set as the climax the conference of Undergraduate Centers Student Councils got under way this afternoon with delegates from Pottsville, DuBois and Altoona. On hand to greet the visiting council groups were Miss Jane Kenvin and Miss Irene Smith, members of our own Student Council.

Following the routine registration procedure, the group was taken to the Hazleton Y. M. C. A., where they were welcomed to the conference by Frank Lucia, president of the Student Council here at H. U. C., who is presiding over the general conference.

The conference officially opened at 3 P. M., with a general discussion of the various topics for consideration.

The conference then split into four groups or committees whose duties are to discuss the topics for which the conference was called. The committee for discussion on the council's constitution will be in charge of a member of the Pottsville delegation, while the committee on Student Activities will be headed by a DuBois student. An Altoona delegate will lead the committee on Social activities. James Monroe from H. U. C. will be chairman of the committee on Athletics.

The purpose of these committees is to discuss the problems of the various programs and present resolutions to the General Session tomorrow afternoon.

The climax of the conference will come tomorrow night when a banquet to end all banquets will be held at Genetti's Ballroom. A speaker of high calibre, in the person of Mr. Thomas Hinkle, Supt. of Hazleton City Schools, has been secured for this banquet. Musical entertainment is also in the offing with students of the music department featured.

Grades Available After Vacation

Mr. Kostos announced to COLLEGIAN that student grades for the eight week period which will end shortly, will be available to students through the offices of their advisors immediately following the Thanksgiving vacation.

Mr. Kostos further advised that students take advantage of the services of their advisors. He stated that many students, either through negligence or failure to understand the necessity of conferences with advisors have failed to contact those faculty members.

Scene In Main Hall of Walnut Street Bldg.

Wilson Barto, staff photographer of THE COLLEGIAN caught a view of the students in the hall of the Walnut Street building as they were passing between classes. An outstanding feature of the hall is the bulletin board, which presents an array of local and varied information.

Faculty Plans Dinner Party

Chairmen Syd Rudman and Arthur Seibel, have announced that plans for the faculty dinner party to be held Tuesday, November 25th, at Gabe Kennedy's are in the formative stages. Dress will be informal and all faculty members and wives are invited to attend.

It was further announced that entertainment will be provided and that dancing will follow the dinner.

R.O.T.C Program Here

Amos A. Goss, administrative head of the Hazleton Undergraduate Center, announced yesterday a Reserve Officers Training Program will be inaugurated at the Center immediately.

He further announced that there will be a meeting of all male members of the freshman class on Monday morning at 11 o'clock in the Green St. auditorium for the purpose of hearing the details of the program explained by the Army personnel who will outline the program.

The addition of the R. O. T. C. program to the courses already offered here is a further indication that great strides are being made in the Center's progress.

Omega Chi Tau Elects Officers

At a meeting of the Omega Chi Tau, girls sorority, officers were elected and tentative plans made for a faculty reception to be held by the sorority.

The following officers were elected for the 1947-48 school year:

President: Gladys Lorah.
Vice President: Nancy Rowland.
Secretary: Marguerite Rondish.
Treasurer: Patricia Kringe.
Delegate to Activities Board: Margaret Schweitzer.

RICHARD BARAGER, outstanding in the Glee Club during his four semester stay here at the HUC, has been accepted into the Men's Glee Club and College Choir at the Penn State Campus.

The activities board has asked that caution be employed by those smoking at tonight's dance. The decorations are of the type that may be considered inflammable, therefore carefulness is urged.

BALL SET TO ROLL AT ST. JOHN'S—8:30

Activities Board Chairman, Joseph Fisher announced today that planning committees have completed arrangements for the Harvest Moon Ball, HUC's first fall-semester dance. Coordinating the Ball with the Inter-College-Council Convention and the Hazleton-Pottsville football game, the planning committee selected St. John's Hall on North Wyoming street to house the dance. Farmer dress and informal garb are in order—dress as you would for a day at the farm.

Realizing tonight's affair offers an excellent opportunity to test the social pulse of the present student body, the Activities Board will have several critical observers take measurements of the reaction to and reception of the Harvest Moon Ball. Upon analysis of these findings plans for the future social functions will be made.

Those who worked energetically to make tonight's Ball a success are:

Frank Lucia — Dance Band; Paul Wensko—Hall; Irene Smith—Decorations; John Polivka and Jerry Hassel—Refreshments; Walter Stineman, Clarence Sipple and Pat Kringe — Tickets; Frank Lucia, Jerry Hassel and John Riley—Publicity.

Junior College Officials Hold Harrisburg Meeting

Officials of ten Pennsylvania junior colleges met at Harrisburg on Saturday to discuss the coming basketball season.

The following schools were represented: Keystone Junior College, Pottsville Junior College, Hershey Junior College, York Junior College, Swarthmore Junior College, Mont Alto Junior College, Dubois Junior College, Altoona Junior College, Johnstown Junior College, and the Hazleton Undergraduate Center.

It was decided that all teams must schedule at least eight games with member teams of the P.J.C.A.A. (Pennsylvania Junior College Athletic Association.)

All games played with P.J.C.A.A. members are to be averaged for determination of league standing at the close of the season. The top four clubs will participate in the tournament for state championship honors.

If the local quintet is among the four top-ranking teams, Hazleton will be given preference in being host to the tourney. If not, the following will be given preference in the following order: Altoona, Dubois, and York.

Mr. Mattern and Coach Rudman represented HUC at the session.
