

## Fall Scheduling Starts Today; Must See Kostos

### Goss To Interview Transferring HUC Students

Starting today and lasting all this week, all third semester students who expect to return to HUC next fall are asked to fill out a tentative schedule for the next semester. The students are to report to Frank C. Kostos, assistant administrative head, in his office. A schedule also has been issued for students intending to transfer to the campus or to some other school. These latter students will see Mr. Amos Goss.

"This is to be done at the earliest possible convenience," Kostos stated. He added that office hours are available in the main office at Walnut street.

A complete schedule for the rest of the student body has been worked out and may be found on the second page of this extra edition of the Collegian. The students are asked to follow this schedule as closely as possible so that there will be no confusion during the scheduling program which will last during April.

It was also stated by Kostos that students desiring to attend summer school will have an opportunity to discuss schedules for the summer sessions at the same time the fall curriculum is planned.

Transferring students whose last names begin with letters A to H inclusive are scheduled to see Mr. Goss all this week. The remaining schedule will be found also on the second page of the extra.

### JOINT BOARDS MEET TODAY

This year's first joint meeting of the Student Council and the Activities Board will be held this afternoon at five o'clock in the Library. It is expected that the Student Council will ask for a report on all student activities expenditures made this term.

Also on the agenda for today's meeting is the request for additional funds by several organizations to be used during the remaining weeks of this semester.

A faculty committee on a planned commencement here has been invited to the session. The meeting will be in charge of Sophomore Class President Frank Lucia.

Invite your friends and relatives to the HUC open house Thursday and Friday.

### URGED TO WRITE FOR LITERARY MAGAZINE

HUC students have been urged by Mr. E. Wallace McMullen and Miss Margaret Campbell, supervisors of the newly organized literary magazine, to be published approximately on the first of May, to submit as many literary contributions to the magazine officials as possible.

The competition, which is open to all HUC students, affords the scholar with an opportunity to display his talents in the field of literature by writing either articles, poems, plays, or short stories.

Except that the contributions must be original, the sole requirement is literary excellence.

The contributions, which are to be judged by McMullen and Campbell, must be submitted on 8 1/2" by 11" paper, and must be copied in ink or else typewritten. Contributions' deadline is scheduled for April 24, 1948.

### URGE USE OF SCHOOL CATALOGUES

Mr. Frank Kostos, Assistant Administrative Head at HUC, pointed out the lack of the use of catalogues which explain in detail the necessary courses a student should carry during his school year.

These catalogues, which are published by the Pennsylvania State College, are available for students' use at any time in the school library.
