## EDITORIAL

### Civic Day

Civic Day, May 14, will be a day set aside for all students to trip out to Highacres and help with a number of small jobs, such as clearing brush. Students haven't had much of an opportunity thus far to show that they are genuinely interested in the new Center, but this day is one in which they can unite their efforts in a constructive way to display true school spirit. Lunch outdoors and an opportunity to circulate with friends are two reasons why this special day will be one of fun and pleasant memories. The Harrisburg Center recently had a very successful "house-cleaning day," and many other colleges make a clean-up campaign an annual event. Come on and get acquainted with your campus!

### LANGUAGE FESTIVAL FEATURES COMEDIES

The Center's three Foreign Language Departments are once again this year preparing their Language Festival presentation scheduled for 7:30 Monday evening, May 2, at the YMCA gymnasium. Co-chairladies for the affair are Miss Anna Erlemann, head of the German Group, and Miss Edra Staffieri, Spanish instructor.

The German Club, Schnitzelbankverein, under the direction of Miss Erlemann are planning to present an amusing puppet play entitled *Kasper in Bedraugnis*, the German equivalent to the Punch and Judy Show.

The Spanish Club will present three short skits, *Tito en la Escuela*, *Una Cita* and *En Clase*.

Members of language classes in all of the region's high schools have been invited to attend the show.

### PEACHY

By Ursoline Imbriac

Eenie, meenie,  
Miney, mo...  
With whom  
Shall I go  
To the May dance-e-o?  
With the one  
I like-e-o?  
Or the one  
With the dough?

A cynic is a man who knows the price of everything and the value of nothing.  
Oscar Wilde

### AAUW and Rotary

(Continued from page 1)

ship fund is an independent function of the nation-wide AAUW.

To qualify for a loan in this fund the applicant must have at least one year of college completed and must furnish the proper references to the committee. If granted the loan, the individual will receive the money in one-hundred-dollar units (or more under unusual circumstances) until five hundred dollars is reached. Interest will begin four years after the loan date, three months after graduation, or upon withdrawal from school, whichever comes first. It will be paid at 3% for the first year and increased 1% each year until 6% is reached. All matters pertaining to the loan will be confidential.

### Dr. Ramsay Speaks To Mummy Club

Dr. Hazel Ramsay was the guest speaker at the Mummy Club meeting on April 21. She narrated an ancient Egyptian story which is said to be the world's oldest mystery yarn. The members were surprised at the modern treatment of the tale—something truly remarkable for its great age.

In addition a film, *Glory of the Pharaohs*, was shown. James Steele, club sponsor, gave a brief talk on the 18th dynasty.

The final regular meeting of the club will be held Thursday, May 5, at 7:30 p.m. (Broad Street Building). All members should plan to attend because arrangements for the banquet and Philadelphia field trip will be discussed.

## Round About The College Circuit

Another of our local girls makes good. Jane Kenvin, a former Center student, now a student at the Bloomsburg State Teachers' College, has been named on the board of the Waller Hall Governing Board. She recently was seen walking around the campus with a sock tied around her arm. When inquisitive people asked her why she was wearing the sock she replied, "I'm a pledge of a new Japanese fraternity, 'Saki Cheri Pi'."

Liu Liang-Mo, distinguished speaker on China, was the principal speaker at the first meeting of the Pennsylvania Chapter of the International Relations Club Conference, that was held at Wilkes College. He is noted for his work as an organizer of student liaison teams to promote cooperation between Chinese Soldiers and Civilians during the war. TIME magazine termed Mr. Liu "the man who largely coaxed the Chinese into mass fighting."

## Swimming Course Open To Students

All students interested in furthering their swimming ability now have the opportunity to do so, as the Hazleton Chapter of the American Red Cross will conduct a Water Safety Instructor Course at the Hazleton High School swimming pool beginning May 23-27.

Candidates must be at least nineteen years old, hold a Senior Life Saving Instructor Certificate and complete a fifteen-hour preliminary course. The preliminary course will be taught by Miss Jeanne Feeley at the high school pool from May 16-20, and to be eligible one must pass the swimming tests.

This is the time to prepare for one of the more pleasant jobs this summer, lifeguarding.

### EDITORIAL CONTEST

The Intercollegiate Association for Study of the Alcohol Problem has announced the Logan H. Roberts Award, offering cash prizes of \$500 for short editorials on the alcohol problem. The theme for the 1949 contest is "Social Pressure and Campus Drinking."

Any students who are interested should contact Miss Margaret Campbell for details and rules for the contest.

"Did you participate in any engagements on the continent?"

"Only five," replied the GI modestly.

"And you came through them unhurt?"

"Not exactly; I married the fifth."

## BULLETIN

Administrative Head Amos Goss has announced that a mass meeting of the student body will be held Wednesday, May 4, at 11:30 a.m. Classes will be run on a shorter schedule. Freshmen will meet at the YMCA and sophomores in the basement rooms at Walnut Street.

At a joint meeting of the Activities Board and Council last Tuesday it was decided to make the Commencement Dance, May 26, semi-formal. All students who are interested in attending a dinner before the dance are asked to sign the roster in the office before 4 p.m., May 3.

A new project, Civic Day, was introduced at the same meeting. This is a day to be set aside for all students to go out to Highacres and help clear shrub and assist with other small jobs. More details will soon appear on the bulletin board.

## THOUGHTS IN THE BREEZE

Beverly Silverman

Spring is sprung,

The grass is riz;

I wonder where the flowers iz.

Marilyn Rosenberg is recovering from an operation at her home.

Congrats: Doris, Mary Lou and their lovely court. We think that May Queen's Coronation is going to be the prettiest ever.

Miss Margaret Campbell has a talented cast for a new play which will be presented in the early part of May. Watch the bulletin board for further information.

Jeanette Formolo is one of the outstanding girls on the softball team. She is small but she's mighty.

George Sarkis was disturbed quite often the other day while trying to make a report on the Russian government for one of his classes. His chief hecklers were Bodnar and Dender.

How did Guydish get his name written up in the West Hazleton newspaper? He must have a drag.

Millie Romanelli is one of Scotty Parson's favorite followers; she loves to polka. Now you figure that one out.

Mr. Krecker was handing out cigars the other day. Congratulations on the arrival of your second daughter.

There was a baseball game between the Engineers and the Liberal Artists the other night behind the coal bank. The players kept yelling "Throw the umpire out!" (Maybe the coal dirt was getting into his eyes.)

Now that Brannaka is an usher in the Key theater he is able to see all the movies for nothing.

Many thanks to Joyce Schofield who has painted the attractive poster for the **Center Punch** which has been placed upon the board in the library.

●Watch for **The Center Punch**.
