Students' Goal \$2500: Koehler McGee Asks Students' Support

William Koehler, student chairman for the Activities Building Campaign, set the student's goal at \$2500 at a student rally in the Botany Building on Thursday. The funds will be raised over a period of 18 months to two years, he said.

Initial Gifts Committee Starts Drive Rolling

The Hazleton Educational Council of the Penn State Center at Highacres began a community drive yesterday to raise funds for an \$85,000 Activities building. The general chairman for the campaign is Attorney Louis Feldman of Hazleton. William Koehler, a student at the Center, is in charge of student participation in the drive.

The proposed site for the Activities building, which will seat 900 people, is the plot of ground immediately below the present athletic field and on the same side of the road.

Included in the floor plans of the gymnasium are a basketball court, 100 by 80 feet, which can be made into two practice courts. The bleachers will be removable—thus providing space for student meetings, college dances, and plays. Arranged around the front and right side of the one-story building will be the foyer, a combination office-cloakroom, and equipment storage rooms, a classroom to be used by the physical education and ROTC classes, men's and women's locker and shower rooms, and a boiler room.

Koehler told the fifty-one students and three faculty members at the rally that the funds would be used "to memorialize" a part of the Activities Building (the foyer). A floor plan of the building will be posted in the lobby of the Main Building in the near future, he said.

Pointing out the time and energy that civic leaders are putting into the drive, Edward McGee, Student Council president, asked the student body to support the drive 100 per cent.

Victor Diehm, president of the Penn State Center Educational Council, outlined the history of the Center, particularly the problems in establishing the Center at Highacres.

Stressing the importance of student and faculty participation in the campaign, Roland E. Edmunds, industrial representative of the P.P. & L., told the group that the eyes of the community will be on them. "You have a personal stake in Penn State Center," he said. "You must not only support this campaign with talk but also with work and contributions (money)," he added.

Students Air Views

After the Student rally on Thursday, November 16, a Collegian reporter button-holed 16 students for their opinions of the Activities Building drive. Their views are reflected below:

Erwin Sussman—"A good idea, but there should have been more students at the meeting".

Robert Matchick—"Should have been started long before this. Approve the idea heartily. We need an activities building".

George Jonovich—"O.K., but too much time has been wasted getting the ball rolling."

Mildred Romanell—"A good idea, if all students will cooperate."

Rita Bradish—"Wonderful, if they can do it".

Dolores Swenson—"No comment. I'll wait to see what happens".

Dorothy Romanofski—"I think we can do it, and we will".

Allan Rowland—"I think it's a good idea and would like to see it work out".

"Willy" Kaschak—"I'm for it".

Clyde Bell—"I believe it will be a great asset to the school and will give my full support".

Frank Fellin—"It's a great idea, and I think the student body should be behind it".

John Fedack—"I think the school has grown to a stage where this building is vitally needed".

Edgar Margan—"It's a necessary item for the curriculum".

Helen Honsberger—"It's a good idea, well organized, and should turn out O.K.".

Warren Rhodes—"I think it's good idea and should be carried out".

Mrs. Woodbridge

Margaret Campbell, associate professor of speech and literature at P. S.C. was married to Navy Lieutenant Byron Woodbridge of tamaqua at one o'clock, Sunday afternoon, November 5, in the Christ Lutheran Church of Hazleton. Pearl Garbrick, formerly an instructor of music at the Hazleton Center and now an instructor at the Ogontz Center, was maid of honor. Allen Stewart of Alexandria, Pa., cousin of the groom, was best man.

Warren N. Stewart Improved

The condition of Warren Stewart is "pretty good", hospital officials reported last week. Stewart received a fractured right knee cap and lacerations of the fact when his car hit a bridge railing on the Ginther-Mudsondale road near the Green Acres airport November 12, at 9:45 p.m.
