"STANLEY" MAY HAVE NEW OWNER SOON; PLACE TAKEN BY SUPERDREADNOUGHT

Shocking news hit Highacres this week. Miss Emma Phillips, instructor in French, Spanish, and English, is selling "Stanley", as her venerable Dodge 8 is affectionately known to students. "Stanley" has become a close friend to the students because of his help each morning in coming up the hill. Students say that "Stanley" is a good guy, and they warn future owners to do their part by him, and they are sure that he will do his. Miss Phillips is now navigating a superdreadnought Buick.

A late report has it that "Stanley's" purchase is being contemplated by Nick "Kenton" Kramer and Ray "Stan" Seid. They understand "Stanley's" heritage and regard him with due sentiment.

Miss Jacquelynn Van Buskirk has been elected president of Theta Sigma Phi to succeed Miss Irene Rondish, who is now on Penn State's main campus. Miss Loretta Romanofsky was elected vice president and Miss Candida Ramaviglia secretary. Dues are still being paid to Miss Matilda Goyda. The new officers are reported to be very capable and much interested in the progress of the organization.

RAY SEID NEW MU DELTA SIGMA PRESIDENT

George R. (Ray) Seid has been elected by the men of Mu Delta Sigma to replace Joseph Punturo, who is now on main campus. Ray is a fourth semester commerce and finance major.

TRAFFIC COMMITTEE EFFICIENT; COUNCIL HINTS AT MORE SOCIAL FUNCTIONS

The Highacres Traffic Committee, composed of Student Council and faculty members is quite efficient according to recent tabulations of their activities. The committee reports that students may "get wise" that it doesn't pay the individual to park illegally. That it does pay Council funds is indicated by the report that during the past week \$18 in fines has been collected. Council says, "Keep it up and we'll soon have enough in the traffic fine fund for more social functions."

DREAM GAME MONDAY NIGHT; CENTER PLAYS INDIANTOWN GAP AT 7:30

Hazleton Center basketeers take the floor at 7:30 Monday night against Indiantown Gap soldiers at the new 3,500 seat St. Josephs gymnasium. Coach Hal Wausat says our team will be well rested, but he is somewhat anxious that the men may have cooled off too much. Only two practices have been possible this week. Students may get their 35¢ tickets at the main office. These purchase a good look at all the star high school seniors in the area in their dream game.

NEW CAFETERIA SCHEDULE CONTINUOUS 8 to 3

Latest cafeteria schedule posted indicates that there will be continuous service from 8 to 3 every day. No evening meals are being served.

ORCHIDS TO COUNCIL

Congratulations seem to be in order for the Student Council for its sponsorship of this new experiment in publishing a college newspaper that gets the news out to its public while it is news. Our public seemed to be pleased with the first issue. Announcements and news items that you would like to have published should be left in the Student Council office by Wednesday each week, to hit the Friday publication date. Reporters and columnists can be accommodated on the staff.
