RELATED CONGRATULATIONS TO MUMMY CLUB

Congratulations to the Amateur Egyptologists Society. Because of a mix-up in news-copy for last week's NEWSLETTER these congratulations on the Mummy Club's spring party at Our House Restaurant March 21 were omitted. "One of the best functions this semester" is a common comment heard since the party. Students were loud in their praises for Pharoah Vincent J. Corrado for his supervision of the whole affair. Highacres has rivals of the "Four Aces" in the Highacres Quartet -- Joseph C. Smith, Donald G. Fisher, George R. Seid (Ray), and Michael Kudlick.

ABOUT FACE is the cry of Captain Thomas L. Ashbridge these past few spring days as the freshmen Cadets are drilled on the athletic field. Some confusion between "About Face" and "To The Rear March" has been reported by Cadet Joseph Marinelli. But the undying interest of Captain Ashbridge assures Cadet Marinelli and the other cadets that someday they will all have Lt. in front of their names.
