STUDENT-COMMUNITY CHORUS WELL UNDER WAY; THINKING OF CHRISTMAS

The Student-Community Chorus under the direction of Miss Pearl G. Garbrick has been organized for the fall term, and rehearsals have already begun for the annual Christmas program.

The chorus, which meets every Tuesday evening at 7:30 in the college music room, promotes appreciative interest in music. Membership in the chorus is open to all interested people in the community and among the students here at Highacres.

At the present time there are twenty members, ten of whom are students. The chorus will be open for additional new members for a limited time. All those interested have been asked to consult Miss Garbrick.
