FACULTY WOMEN'S AND WIVES DINNER FOR THETA SIGMA PI

The faculty women and wives will hold a dinner for the Theta Sigma Pi, Women's Club, this evening at 5:30 in the college dining room.

SATURDAY, JANUARY 10, IS THE NEW DATE FOR THE R.O.T.C. BALL

The R.O.T.C. Ball Committee has announced this new date. January 10, was chosen so that R.O.T.C. students who will transfer to the main campus next semester will have at least one ball to remember their R.O.T.C. classes at Highacres. This will not be an all-college affair, the committee stated, but it will be open only to those students taking R.O.T.C.

Because the R.O.T.C. Military Ball will be held at a later date than proposed, the Student Council has voted upon a Christmas Ball and has scheduled it for Saturday, 13th of December. This will be a semi-formal affair as well as an all college affair.

The Student Council hopes that a large majority of the students will attend this annual affair, because it is conducting these dances for everybody not only a few.

DEAN'S LIST AND NEAR HONORS ANNOUNCED FOR MID SEMESTER

Clark G. Piester, sophomore mechanical engineering student of Berwick, topped the Dean's List for mid semester with a grade average of 2.85. The list of three students whose overall subject average was 2.50 or above was announced Thursday by Assistant Administrative Head Frank Kostos.

Ralph E. Whitner, first semester student, arts and letters major, of Freeland, was second with 2.62. Third with an average of 2.62 was James O. Borish, third semester electrical engineering student of West Hazleton.

The 13 students who achieved averages between 2.00 and 2.50 were commended by Mr. Kostos and their names announced on a near honors list. Their names are as follows: John Misoda, Donald Weldon, Patricia Tomsho, Joseph Birt, Beverly Lizzo, Joseph Belovich, Dorothy Kosack, John Taluskie, John Boyle, Jean Macgicle, Thomas Scott, John Sharkowicz, Jane Tressler.
