for four downs and the Kippers took over with but a few minutes left in the first half. Shipman then poised himself behind the line of scrimmage and flipped an arial to Pete Pavuk in the Dare Devil end zone. The half end with the Kippers out in front 6-0.

The Kippers took the opening kick off in the second half and speedy Short Smida went down field behind the powerful blocking of Nick Polick, Andy Karpinski and John Ungvarsky but was forced out of bounds deep in Dare Devils territory. Nick Polick handling the tail back spot found Pete Pavuk alone in the end zone and another Kipper TD was chalked up. The score then read Kippers 12, Dare Devils 0. At that stage of the game the foff fell in on the Kippers. The Dare Devils playing heads up football took the Kipper kick off and began a march that did not stop until they were in Kipper pay dirt.

Shifty Jim Berish took a hand off from Bill Sarkas and followed the interference of Frank Yannes, Bob Tomsho, and Don Postopock but was knock out of bounds by Bob Tracy and Joe Marinelli as he crossed the mid-field strip. Don Neifert slashed off tackle for a few yards and Bob Tomsho took an end around which put the Kippers' backs to the goal line. Jim Berish took the ball on fourth, faded far behind his line of scrimmage and sent the leather via air mail to Vic Pituck who snacted the ball out of Pete Pavuk hands in the corner of the Kipper end zone for the first Dare Devil TD making the score read Kippers 12; Dare Devils 6.

The Kipper ground and arial attack was not enough to score on the Dare Devils and the Dare Devils started another one of their powerful marches. Jim Berish took a hand off that was good for ten yards. Vic Pituck giving the handoff this time faked to Bill Sarkas bootlogged the pigskin for another large gain. The Kipper line which too the brunt of these plays dug in but to no avail; because on the next play Sarkas passed to Tomsho and the Dare Devils were inches away from the Kipper goal. Tomsho would have made a TD on that play but alert Bob Tracy eluded the block intended for him and nailed Bob Tomsho before he could step into the end zone. With fourth down up and inches to go for the TD Jim Berish faked a handoff to Don Neifert who fell in behind the blocking of Vic Pituck and Frank Yannes and raced around the left end of the Kipper line tying up the score. The Dare Devils came out of their huddle and lined up for the play that gave them the game. The Kippers who most of the yardage taken from them through end runs and flat passes spread their forward wall only to have Bob Tomsho rip open his hole and cross the Kipper goal line putting his team in front. With seconds to go the Kippers lost the race with the clock and lost the game to the Dare Devils. The Dare Devils 13; Kippers 12.
