

## STUDENT ATHLETIC COMMITTEE

Preston Peightal, advisor to the Student Athletic Committee, called this committee to a meeting on November 18, 1952 in order to schedule and draw up the rules for the forthcoming athletic events. This committee consisting of six members--Richard Schraeder, Tom Onderko, Nick Skimbo, Jim Elliott, Tony DeToma and Joe Belovich--each assumed the chairman positions for one of the various events. Richard Schraeder will handle the bowling games which will begin sometime soon. Jim Elliott was appointed as chairman of the intra-mural basketball board. He will soon post notices relating to the time and place these events will occur. Nick Skimbo will assume his role as chairman of the ping-pong events. Tom Onderko will handle all the publicity of the various games and serve as one of the judges on the Athletic Committee.

Mr. Peightal and the Athletic Committee wish to inform all students interested in pingpong to watch for the notice instructing them how to enroll for the tournament. Both boys and girls singles and doubles are planned. Joseph Marinelli and Tony Tarone will get together this week with Nick Skimbo to work on the schedule, rules, and officiation of the ping-pong tournament.

Also, those who wish to enter teams in the intra-mural basketball tournament will contact Jim Elliott as soon as possible. Rosters of the various teams must be in Mr. Peightal's office before the season can officially begin. A deadline date for the entrance of team rosters will be in next week's COLLEGIAN.

Mr. Peightal stresses the fact that this Athletic Committee may be enlarged as various events take place. Those interested in any of the intra-mural sports (basketball, bowling, ping-pong, archery, and softball) may contact one of the members of the Athletic Committee.

ATTENTION ATHLETIC COMMITTEE MEMBERS: The next meeting of the Athletic Committee will be held in Mr. Peightal's office shortly after the Thanksgiving Holiday. The date will be announced.

## BROTHERS OF THE BRUSH

Have you noticed any bearded men around our college lately? If so this article is to assure you that they are not ape men but Brothers of the Brush. Their motto is "Save a Day Plus \$10.00."

Their officers are:

Pres.---Joe Prokop

V. Pres.---Steve Kvalecs

Sec.---Mary Hagara

Tres.---Paul Lisatsky

They believe heavily bearded men could save time and money by growing a beard for some length of time and dispensing with the process of shaving. By not shaving you gain the following: 35 minutes a week; 2 hours and 20 minutes a month; 28 hours a year; and \$10.00 a year spent on articles for this process.

So if you believe in saving, see a Brother of the Brush for further information.

## MR BARTO TO TAKE MRS LONGO'S PLACE

English Composition O classes were resumed Monday November 17 when Mr. Wilson L. Barto took over Mrs. Mary Longo's position as English Composition O instructor.

Mr. Barto is a graduate of Weatherly High School and of Penn State where he majored in journalism. At present he is a reporter-photographer on the Standard-Sentinel and serves also as assistant city editor.
