
ATTENTION BASKETBALL AND PING PONG PLAYERS

On December 2, 1952, the Student Athletic Committee—Richard Schraeder, Tom Onderko, Nick Skimbo, Jim Elliott, Tony DeToma, Joe Belovich, Joe Marinelli, and Tony Tyrone, met with their advisor, Mr. Peightal, and came to agreement on the rules and officiation of both intra-mural basketball and ping pong.

Decision on the ping pong tournament

Mr. Peightal, working in conjunction with Joe Marinelli and Tony Tyrone, have established the dead-line date of December 5 as the last day on which those people who wish to enter their name as a ping-pong participant. Those who wish to play must sign their own name on the roster which is posted in the recreation room of the main building. The Athletic Committee would like to emphasize the fact that even the best players have off days and are apt to be beaten. This should serve as encouragement to those who do not classify themselves as one of the best.

GIRLS TOO

Both singles and doubles will be played and those who have already chosen a partner are asked to sign their names to the roster in the recreation room. There will be a separate single tournament for boys and girls, while selection of partners in the doubles is optional. It is more than likely that the winner of the girls' singles tournament will be asked to play the winner of the boys' singles tournament; and the winners of the girls doubles will be asked to play the winning combination in the male tournament. The winners of the ping pong tournament singles and doubles will have their names inscribed on the ping pong trophy which is now on display on the mantle over the fire place in the main lounge.

What do you say? Let's sign up. This tournament should prove to be a good one.

GIVE THE ATHLETIC COMMITTEE THAT INTRA-MURAL BASKETBALL ROSTER

On the same date (December 2) the Athletic Committee met with the chairman in charge of basketball, Jim Elliott, and came to a complete and concise decision. The rules for the team captains and the rules pertaining to the playing of the game were drawn up and unanimously decided upon. These rules are published at the closing of this editorial.

All intra-mural basketball games (as far as the committee knows) will be played at the A. D. Thomas Gym in Hazleton before the varsity games. Provisions will be made by the Athletic Committee to set up the game schedule in such a way as to allow those students who go home for the weekend to have their games played during the middle of the week. Allotting for enough time each team will be able to play the other twice.

All team captains are urged to have their roster turned in to either Mr. Peightal or Jim Elliott before December 8. No rosters will be accepted following this date.

INTRA-MURAL BASKETBALL RULES

1. Each team must consist of no more than 7 men.
 2. Each team will select one captain.
 3. The team and its roster must be approved by the Athletic Committee.
 4. Players assigned to the varsity squad are ineligible for intra-mural participation.
 5. Throughout the tournament each player can only play with the team of his choice. (No jumping from squad to squad.)
 6. No squads will be accepted by the Athletic Committee for intra-mural basketball after December 5. Rosters will be accepted on December 8 if turned in to Mr. Peightal or Jim Elliott.
