REPORT OF THIS WEEK'S STUDENT COUNCIL MEETING: Change Admission Policy

At yesterday's Student Council meeting the following points were discussed and acted upon.

1. It was decided that there would be no admission charge at the home basketball games held in A. D. Thomas gymnasium. The expenses will be taken care of by drawing from the student activity fund.

2. A letter received by the Student Council and read by Pat Tomsho, secretary, extended an invitation to Highacres ping-pong players to join in a Pennsylvania tournament. Council decided that such a venture may be possible, but made no decision until the costs are investigated.

3. A motion was passed to change the time of Student Council meeting to Wednesday, fifth period. This will be possible because next semester the fifth period on Wednesdays and Fridays will be open on all students' schedules so that group meetings can be held. Mr. Frank Kostos engineered the master schedule to provide these open periods.

Registration Next Friday and Saturday

Registration for the Spring semester will be held in South Hall room 101, Friday and Saturday, January 23 and 24. By this time all students have probably checked their registration time schedule on the back of the green exam schedule sheet. Students must adhere to the schedule, says Mr. Frank Kostos, who is in charge of registration, in order that no students will be caught in a long lineup and waiting period.

After registration, students can obtain their needed textbooks and supplies in room D-1.
