

- 4. A letter and an application blank have been received from the Pennsylvania Table Tennis Tournament. Since the time for the tournament has not been made definite, no formal action was taken by council. The Center may enter the competition if some of the students are interested.
- 5. No petitions have been received by Mr. Mattern to replace the two Council members who transferred to the main campus. According to the constitution of the Student Council, one sophomore girl and boy must be elected to the council. If no girls are nominated, there will be a vacancy in the Council membership.
