COUNCIL APPROVES NEW SOCIAL COMMITTEE

In the Student Council meeting room at 12:45 P. M., Wednesday, the Council officially approved of the formation of the Student Activities Committee which was originally proposed by Council member Bob Tomsho. The approval was unanimous. This committee will set up social budgets and plan all of the remaining social affairs for this semester.

Because we are now in the Lenten season, the Committee does not intend to schedule any social affairs for the present. But the Committee will begin to get permanently organized and to start planning events for after Easter. Some social events which have been proposed by members of this newly-formed Committee include a Friday night party, a hay-ride, and a picnic which would be held at the end of the semester.

If any students have suggestions for future social events they are urged to make known their preferences to any member of this Committee, which is composed of Janice Magavich, Beverly Wizdo, Jean Haegele, Mary Donish, Mabel Lewis, William Burcin, Peter Zablocki, Donald Neifert, Peter Kerutis, James Ustynoski, Manuel Barbeito, Joseph Belovich, Anthony Pecone, and Nicholas Skimbo.

All preferences suggested by students will be given careful consideration.

The Student Activities Committee will meet to formulate plans for future social events next Friday, February 27, the fifth period, in Room 207. The Social Chairman from Student Council, Bob Tomsho, will also attend to outline the definite duties and responsibilities of this new Committee.
