TRIUMPH OVER KEYSTONE (continued)

Clint Frank rocked up 15.

The high-light of the game came in the final minutes of the last quarter. The Mountain Lions with breath of fire were slowly over-coming a 32-18 half time deficit when suddenly the Lions blazed forth with shots that were predestined for the basket. It was nip-and-tuck for the closing seconds. But Norm Hall dumped in a bucket that put the Lions ahead 54-53. Speedy Mike Mistiszyn, playing a beautiful floor game all the way, converted a pair of foul shots which put the game on ice for the Mountain Lions.

---

Individual scoring: Burcin 5, Kobrick 2, Frank 15, Hall 17, Mistiszyn 6, Griesing 5, Evancho 2, Searcella 4.

## BE THERE TONIGHT

The Mountain Lions play host to Altoona Center tonight at 8:00 in the A.D. Thomas gym in Hazleton. This is the last game at home.

On Saturday, February 28 the Lions will go to York Junior College for probably their hardest game of the season.

---

## INTRA-MURAL SECOND HALF CHAMPIONSHIP AT A. D. THOMAS TONIGHT

The second-half intra-mural basketball championship will be decided tonight at the A. D. Thomas gym, prior to the varsity game with Altoona. Game time is 7:00. Two hot rivals, the Dorm Boys and the Daredevils, both sport the utmost confidence of victory.

Jim Elliot, the intra-mural Mike Jacobs, urges both teams to be ready to roll at seven sharp. Jim and Mr. Preston Peightal, adviser to the student athletic committee, are kicking around the idea of an intra-mural play-off between tonight's winners and the Profile Nine, whose members are all on main campus now.

---

## WRESTLERS, TURN IN YOUR SCHEDULES

Mr. Preston Peightal, adviser to the student athletic committee, and Tom Onderko, chairman of the wrestling committee, have announced the formation of skeleton plans for wrestling instructions. All fellows who are interested in learning how to wrestle or who wish to display their pectoral muscles are advised to submit a full schedule of their free periods to Mr. Peightal.

According to the somewhat tentative plans, all mat men will receive instructions in the rudiments of wrestling before they are matched. Mr. Peightal, a wrestling standout in his highschool days and a close follower of the art ever since, would be the instructor. He would put his stamp of approval on each man before he would be allowed to be matched for a wrestling bout.

The search for mats and a suitable place to conduct the classes is now being conducted. As soon as the search is successful THE COLLEGIAN will publish the news. But Tom Onderko emphasizes that men interested should turn in their schedules right away, without further announcement. He has set a deadline of 5:00 p.m. Monday, February 23.
