

LIONS--ALTOONA (continued)

Throughout the game there was little doubt where victory would go, and at no time were the Mountain Lions in serious trouble. "If there had been six quarters, we might have won," joked Steven Adler, assistant head of Altoona Center.

Only one more scheduled game remains on the Mountain Lion agenda, and that is the battle with slick York Jr. College which will be played York this Saturday night. York has a reputation as "dead shots" from anyplace around the orange line.

DARE DEVILS COP 2nd HALF INTRA-MURAL BASKETBALL CHAMPIONSHIP

Another highlight last Friday night was the second half play off between the Dorm Boys and the Dare Devils which was played before the varsity game of the Mountain Lions and Altoona State. The Dare Devils captained by aggressive Dan Postupack, came from behind in the last quarter to cop the second half intra-mural basketball championship.

Both teams played brilliant defensive ball during the first quarter, allowing their opponents as few shots as possible. The score for the first quarter read 6--4 for the Dorm Boys. The second and third quarter were faster-moving, until the Dare Devils surged ahead in the last few minutes of the last quarter to write "finis" to the second half basketball competition with a 39-36 victory over the Dorm Boys.

A play-off between the Dare Devils, second half champs, and the Profile Five, first half champs, is anticipated.

The Dare Devils were: Vic Pituck; Dan Postupack; Andy Karpinski; Frank Yannes; Tom Scott.

The Dorm Boys were: Ship Shipman; Jim Elliott; Carl Williams; Stan Miller; Short Smida.

FIRST PROJECT OF COLLEGE ARTS SOCIETY SUCCESSFUL

An appreciative audience of 55, saw the Spanish movie "The General and the Senorita" presented last night by the College Arts Society. The lounge was filled with faculty members, students, and townspeople.

Joe Belovich told the audience a bit about the Society and announced that a French film, "Beauty and the Beast" and an Italian film, "Open City" will be presented during the months of March and April.

The audience was very receptive to the Spanish film, and especially enjoyed the temper of the "Senorita" and the beautiful scenes in some of the "365 churches" of Mexico.
