

Chippy Chatter continued.
in an uproar of laughter. What's the scoop, Joe? Is it an overdose of Cheerie-Oats?

The metropolis of Freeland can boast of another student at Highacres in the person of Andre Diaz. Andy, whose major is chemistry, has transferred from Catholic University in Washington, D. C. Welcome to Highacres, Andy, and also to all the other new students. It's nice to have you here.

This is it until next week, so you better be on the lookout for old Chippy Chipmunk. He might find some information about you, and lo and behold, you might find Chippy writing about you in his column.
