NEWS FROM MAIN OFFICE

Mr. Kostos, Assistant Administrative Head at Highacres, has announced that there will be a meeting of all commerce students and people interested in taking the commerce course on Friday, March 27, at 12:25 in S-101. The purpose of the meeting will be to discuss the new business curriculum which will go into effect in the 1953 fall semester.

-----  
Mid-semester grades will be available from your advisors on March 31.

-----  
COME AND GET IT. Refund checks for first semester students are now available in the Main Office.

-----  
The Main Office is trying to arrange a schedule for meeting on Wednesday's and Friday's free periods. It is thinking of giving each organization an equal amount of periods. Watch for further news.

HOPE TO BOW OUT VICTORIOUS

Monday will be your last chance to purchase tickets for the annual Dream Game. The Mountain Lions, making their last showing of the season, will feature Big Bill Burcin, our chief defensive man; Mighty Mike Mistiszyn, who manages to score in double figures; Joltin' Joe Scarcella, the expert on long shots; Jim Kobrick, who always plays an impressive game; Eddie Evancho, the pride of Freeland; Jimmy Griesing, back in the line-up after a broken ankle; Clint Frank, "Old Faithful", who has shone in all previous events; and the newest and brightest addition to our leather-tossers, Norm Hall. Norm, product and find of the dorm boys, joined the Lions late in their tasks, but thus far Norm has proved himself a scoring sensation.

Our Highacres team will combine their talent under Coach Frank Antinozzi against the mighty Albright Freshman quintet in the St. Joseph's Gymnasium this coming Monday, March 16.

Tickets are available in the Main Office; come and cheer your team on to victory.

The Mountain Lions promise us that with your support they will bow out of the 1952-53 basketball season with this final victory under their belts.

WRESTLING PROGRAM REGRETFULLY CANCELLED

Mr. Peightal, faculty advisor in charge of student athletics, has reported that the wrestling program which he had been in the process of organizing has been regretfully cancelled.

Mr. Peightal, an ardent devotee of this muscle-and balance-building sport, hesitated to cancel the sport because he felt Highacres students were very enthusiastic about learning some of the finer points of wrestling. One of the main reasons for the cancellation was the inability to secure a gymnasium with sufficient mats in which to practice.

However, this does not mean the end of wrestling at Highacres. If sufficient students--next semester--desire to participate in wrestling, Mr. Peightal promises to do all in his power to put wrestling back on the athletic calendar.

SOFTBALL SEASON JUST AROUND THE CORNER

The crack-of-the-bat, roar of the crowd, and the peanut vendor hawking his wares, all bring to mind America's favorite sport---baseball. Here at Highacres we won't have the peanut vendor, and probably not the crowd, but you can bet your bottom dollar that we'll have the sound of that crack-of-the-bat. (And I don't mean a broken bat).
