deposited every week by the fraternity members.

Jack assumed the duties vacated by Steve Warner, former Nu Delta Sigma treasurer, who secured a job working nights in Karns' thus preventing him from being present at the Frat's meetings.

The Fraternity is certain Jack will fulfill his obligations in much the same desirable pattern laid down by his predecessor. Our congratulations are warmly extended to the newly elected fraternity officer—Jack Gromniak.

NATIONAL COLLEGIATE WRESTLING CHAMPIONSHIPS AT STATE COLLEGE

The sport of wrestling has been causing a sensation at the Main Campus for a long time. The big event of the season will be the National Wrestling Championships sponsored by the National College Athletic Association to be held March 27 and 28 at Recreation Hall, Main Campus. The preliminary matches will begin Friday at 1:20 p.m., and the final match will begin Saturday at 8:00 p.m.

The favored team is Oklahoma University. Traditionally the Midwestern States have been winning the championships. This year the Eastern teams are strong, and they hope to win.

Penn State, a member of the Eastern Inter-Collegiate league, has won 24 straight matches under the coaching of Charlie Speided, who has been coaching since 1927.

Joe Lomyre, a 165 lb. PennState champion, will defend his national title won last year.

Other members of the Penn State teams are Doug and Don Frey, identical twins; Dick Lomyre (Joe's brother), Jerry Hourcy, third member of the Hourcy family to win an Eastern title.

Let's hope that Penn State will win and bring the championship back to the Eastern States.

"CHIPPY CHATTER" by The Campus Chipmunk

Spring is almost here and I've just come out to gather some nuts.

I seem to be seeing less and less of: Paul Bain, Pete Kerutis, Dave Landau, Dave Edwards, Tony Nash, Manny Barboite, Pat Tomsho, Buddy Robinson, Mary Bissol, and John "Moose" Sharkowicz. Could it be that all of them are studying this semester.

Pete Zablocki became one year older this past Monday. How does it feel to have another year added Pete?

Stan "Buttercup" Miller and Clarence "Sugarplum" Shipman are tied for the two most descriptive nicknames on the campus.

Is it true that Pete Pavuk was catching 20 winks in Ed. class this Tuesday?

Jim Kobrick seems to be falling for vanilla ice cream—what strange attraction does it have over you Jim?

I must say the tie Hugh McGeehan wore on St. Patrick's Day proves his loyalty. A sharp tie you have Hugh.

Mikie Evancho believes quiet people (those who don't make as much noise as he) aren't getting much fun out of life. Do you agree with him?

This place is getting pretty popular—beside the addition of Melvin the Mole we have Rabbit. Perhaps Harriet (Rabbit) Tulin could tell us more about this strange appearance or maybe Nick (Light Bulb) Polick could. While Nick's at it, he could tell us about his trip back to Highacres from New York.

Well, now that I have gathered all of the nuts, I must be getting home. So-long for now.
