ROTC TO RESUME OUTDOOR DRILLS

Captain Carper has stated, that when the spring semester begins after the Easter vacation the ROTC divisions will resume their outdoor drill practice. This will begin, for both freshmen and sophomores, Thursday, April 9th, the 9th period.

FLYING PLANS

Today at 9:00 a.m. five of our flying boys will take off in a plane piloted by Captain Carper from the AFB, Middletown, Pa. The same route will taken as was previously planned. This is a policy which will be carried out at least once a month by our ROTC division at the Center. Arrangements are being made to choose as many sophomores as possible before they go to the Campus for the advanced ROTC program; freshmen will be chosen if there are any vacancies. The names of those chosen will be posted.

For winning the ping pong singles, Roy Atherholt will be given an award. In football the honor will go to the Yankee Kippers; in intra-mural basketball, to the Profile Five. Each member of the varsity basketball team: Bill Burcin, Clint Frank, Jimmy Griesing, Joe Scarcella, Jonny Kobrick, Norm Hall, Eddie Evancho, Mike Mistiszyn, Don Krentz, and team manager, Dave Edwards, will be given an award. It is not known whom the honors will go to in softball, as the season has started only recently.
