

SPECIAL NOTICE *

All students who have not paid their all-college fees must do so before March 31, 1953. If you have some financial difficulties, kindly contact the main office immediately and report this fact.

TOUCHE

The Fencing Club has been meeting three times a week; eighth and ninth periods on Tuesday, and fourth period on Friday. The fencers are really getting into the thick of things with their forms of parries and attacks. If you are interested in joining the groups which are already set up or if you would like to start a new group at a different time the following periods are available: Wednesday, ninth period; Friday, fifth period. If interested, see Bill Coll and apply for one of the vacant periods.

IS YOUR CAR REGISTERED? MAKE SURE

The Traffic Committee would like to have all drivers of cars at the Center re-register after the Easter vacation. ROTC cadets will register in ROTC class; all other students will register in the main office. Remember, you must register your car if you wish to drive or park it on Center ground.

DOES UNCLE SAM KNOW?

The main office has had requests from various students within the past few weeks for Forms 109 to be completed by the college for draft boards in different areas.

All students should be made aware of the fact that it is a STUDENT'S RESPONSIBILITY to inform his board that he is attending college, says Mr. Frank Kost's. As a matter of fact, students should always keep in touch with their local draft board to inform them of any change in his employment or status.

If a student does need a Form 109 from college to certify that he is still attending school, he must request this himself from--Mr. A. W. Stewart, Assistant Register, G-3 Willard Hall, Pennsylvania State College, State College, Pa.

MUMMY CLUB

A meeting of the young Egyptian mummy hunters was held March 11. The new members---Theresa Flynn, Ann Petrushka, and Mary Donish,--- were initiated and second degree initiations were given to the members of last semester. Refreshments were served after the meeting and a good time was had by all.

Elections were held for the office of Royal Scrapbook Keeper. The two nominees--Theresa Flynn and Harriet Tulin--each received the same number of votes giving the Mummy Club two Royal Scrapbook Keepers.

What did little Georgie Michaels say to the pyramid? "Is my Mummy inside?"

FOREIGN FILM: THE BEAUTY AND THE BEAST

Over 110 persons saw the French film Beauty and the Beast which was the second presentation of the foreign films series sponsored by the College Arts Society. To reach the largest audience possible three separate showings were held: Wednesday afternoon in S-101, Wednesday evening in the lounges, and Thursday morning in the Music Room. The Wednesday evening performance played to a packed house, and there were many standees. Refreshments were served after that performance; and from the comments of those who remained, the Society feels that the film was thoroughly enjoyed by students, faculty, and townspeople.

The members of the College Arts Society who helped in making the affair such a successful one were: Joe Belovich, Joe Birt, Mary Donish, Mabel Lewis, Janice Magavich, Sally Rarich, and Jane Tressler. Miss Di Rubbo, adviser to the Society,
