MAY DANCE TO BE HELD AT EAGLES!

At the Student Council meeting, Bob Tomsho reported that the Student Activities Committee has made final arrangements for the May Dance (May 9). It is to be held at the Eagle's Ballroom with Art Wendel's Orchestra. One hundred twenty-five dollars has been set aside for the dance.

It was announced that dancing class would be held Thursday evening, April 16 from 8:00 until 10:00.

The Student Activity Committee has announced it will make every effort to hold an all-college picnic despite limited funds.

Miss DiRubbo asked Council about having a committee make up the "Class Will" for the May Day ceremonies. No immediate action was taken.

It was reported that \$35.00 has been deposited to the Athletic Fund. This money was received for playing in the Lions Dream Game. However, \$11.10 of this money will be turned over to Council for payment of an unexpected bill of the Athletic Fund. The remainder of this money is to be used for softball equipment.
