**PARNASSUS (continued)**

chosen must have a minimum all-college average of 1.5 and the necessary number of activity points--5 for first semester students, 10 for second semester students, 15 for third semester students, 20 for fourth semester students. It should be noted that these activity points are given only to those who have been active members of the organizations to which they belong.

**PLANS FOR MAY DAY NEAR COMPLETION**

Plans for May Day (May 9) are being carried forth by Theta Sigma Pi sorority, in charge of the coronation ceremonies, and the Social Committee of the Student Council, in charge of the May Day dance.

On May 9 Queen Marie Jacko will rule over her court consisting of Maid-of-Honor--Jean Haegele, Attendants--Joan Groising, Katharine Kokinda, Mary Donish, Heart-Bearer--Janice Magavich, Crown-Bearer--Elise Kreiger, Key-Bearer--Anna Petrushka, Scroll-Bearer--Mary Hasara. The rest of the coeds will form the hemlock chain.

Practise for the dances to be performed by the coeds during the ceremonies started yesterday under the direction of Mr. Saullò, a member of the Hazleton High School faculty. After dance practise yesterday, the sorority held a short meeting, at which several committees were appointed to take care of the arrangements for the coronation ceremonies.

**A.F.R.O.T.C. FLIGHT CANCELLED**

The scheduled flight of the AFROTC for Friday, April 10 was called off on account of the bad weather. Those scheduled for the flight met downtown at 5 o' clock in the morning and were quite surprised to hear that the flight was cancelled. Capt. Carper received word from the field that the weather was unfavorable for flying.

The flight is now to take place Monday, April 20. Here's hoping that it is no blue Monday.

The following Air Force Cadets are scheduled for the flight: William Kurdziel, Raymond Schultz, Frank Smida, Robert Tracy, and Nick Yankowski.

**GLIDER MYSTERY**

If you come upon an object that doesn't even remotely resemble an automobile --you can be sure that it is Capt. Carper's glider. It is now in the process of being renovated by the Glider Club members. It is a Schweizer Glider with a 54' wing span. Two persons at a time -- instructor and passenger-- can glide through the air with the greatest of ease.

The officers of the club are:

President: Robert Prochko  
Vice President: Robert Tomsho  
Sec. and Treas: Theodore Horwath

If you desire to inspect the glider, any officer will be delighted to show off their pride and joy.

**THE LIBRARY IS A BUSY PLACE**

Every afternoon after lunch the library is filled to capacity with industrious students. Some fourth semester students: Joe Andrews, Joe Prokop, Paul Kisatsky, John Alampi, and Mike Mistiszyn can be seen studying there. Political Science claims its share of time. Joe Schumacher, Andy Bias, Gale Greogory, and Harry Heiser are often seen reading the textbook.

The Frat. Boys have gotten together and received permission to keep the library open at nights. On Monday nights, the library will be opened 7 to 8 with Ed Keller in charge. Andy Karpinski will act as librarian Tuesday nights from 7 to 9. On Wednesday nights, Jack Gromniak and John Misoda will be around to check out books.

The library will also be available to the town students at these times.
