COUNCIL MINUTES (continued)

Upon Mr. Campbell's recommendation, the board turned the problem of paying for the dinners of the non-student members of the Community Chorus, who will sing at the Convocation Dinner, over to Student Council. Council has decided that part of the cost should be carried by the Community Chorus. Council feels this is advisable because of the limited budget on which the Student Activities Committee is working.

Treasurer John Carr announced that \$25.00 has been taken from the Emergency Fund to pay the royalty on the Italian Film held here Wednesday night. Mr. Campbell and Miss DiRubbo have vouched that this money will be repaid to Council before the Convocation Dinner. If this money is not refunded, Council threatens to strip the cars of Miss DiRubbo and Mr. Campbell and sell the parts.

The treasurer gave the following report:

Student Council	\$604.89
Athletics	588.92
College Arts	100.00
Music	41.46
Emergency	28.00
Total Expenditures	\$1363.17

Income	\$2310.00
Total Ex.	1363.17
	\$ 946.83

CONVOCATION AWARDS

The awards to be awarded at the Convocation Dinner--May 28--will be of two general classes: academic and activity. The academic awards will be given in the various subjects: English, mathematics, foreign language, etc. The activity awards will be given for: ROTC, Student Government, Athletics, Newspaper, and the Parnassus award to the outstanding sophomore and freshman.

In addition to these, awards will be given to students who have completed sixty credits of work at the Center; ROTC will give awards to those students who have completed two years of training at the Center.

It should be noted that all award winners must be present at the Convocation to receive their awards personally.

CAMPUS CHATTER BY CHIPPY CHIPMUNK

Hi Campus Pals!

While bouncing around the campus this week I picked up lots of news. Just a few minutes ago I heard someone speak of white which reminded me of the 7 fly boys who were chalky white when they returned from their flight. Now we can really call them "continental." Tracy, Pelick and Yankoski remained normal.

Via the grapevine, I gather there is a dance following May Day ceremonies. Many people are really in the dark about the whole affair.

I have yet to see Andy Karpinski and his million dollar smile. Smile Andy! We'll take your picture.

I hear Clarence Shipman is a budding writer---Odd sense of humor, isn't it? It seems that we have finally found a successor to the "King of the Baldies," Marv Edelstein. It is Gale Gregory with his new "Toni" who nearly has a super sheen, but there is one "Cool Cat" sporting a real cute Boyish Bob---our own "Mickey Evanch", Barber Snort Smida and his "flock-flippers" have the shop open every Wednesday afternoon from 1--4 p.m. Your going to look real cool for May Day---huh, Mike?

Chippy is about to leave the campus, but before I do I would like to pass on a little advice to the Dorm boys as a parting shot---smarten up, boys! What can we do with you, and then---what would we do without you?
