## SOFTBALL SEASON IN FULL SWING

With the advent of truly spring weather-let's hope it stays--the Fighacres Softball League race is in full swing。 On Monday, April 20, the Yankee Kippers and the Blue Jays were scheduled to do battle, but beacuse some members of the Blue Jays were on the ROTC flying trip the game was postponed. The rerised schedule of games for this week was Tuesday--Blue Jays vs Vets; Wednesday-Yankee Kippers vs Bandits; Thursday--Yankee Kippers vs Blue Jays; and scheduled for today, Triday, is a game between the Bandits and the Vets.

## vets ran roughshod over blue Jays

On Tuesday afternoon, the Blue Jays, minus the services of their star hurler "Rock" Grasley, went dorm to ignominious defeat at: the hands of. Don Neifert's Vets by the score of 16-2. Bob Tonsho, the Blue Jays starting pitcher, was quickly shelled from the mound by successive automatic two-base hits off the bats of Snover, Tarone, and Pituch. Porb "Pundi" Turnbach, who came in on relief, received the same fate for the remainder of the gane as the Vets players hit him as if they were in batting practice---the Vets set many Iong, towering smashes into the far reaches of the outfield. Bill Burcin, notched his first win as against one defeat, as he pitched superb ball in limiting the Blue Jays to only two runs on three hits. Burcin struck out six while walking four. Tomsho, the losing pitcher, walked none and struck out none, while Turnbach walked four and struck out one.

The box score was:

## ATTENTION SOFTBALL MANAGERS AND PLAYEZS

Softball schedules have been made by the weary hand of Nick Skimbo. Nick has worked very herd in arranging the various teams in dates whare they could be up to their full strength. He has revised the schedule twice and that second revision is the last-mproviding nothing azestic heppenso

Therefore, the Student Athletic Committee has decided that the schedule printed here in this paper must be followed to the letter. Failure for any team to present themselves on the diamond when they are scheduled to play will result in a forefit. If complications arrise, the menagers must notify the Athletic Comaltac two days before a requested postponement date. Managers cennot arrange the dates of ganes among themselves. The Student Athletic Comnittee arranges gemes. The managers will be notified when rainedwout genes and postponed gemes will be played. They- the managers- must inform their ball clubs of the changes.

The soft ball games will be played ad ciaeduled.
