

by a Waco Biplane to 2000 feet and cut loose with a licensed CAA test pilot at controls. Gliding like a sleek hawk the silver ship averaged 15 minutes in the air for every flight.

Captain Carper has proved his solo ability and Bob Prochko, president of the organization, was the only student to have a flight as a passenger and 15 minutes instruction.

The group is planning more flights, weather permitting, so watch the bulletin board for the next takeoff date and go to see your fellow students making their glider debuts.

#### LIBRARY

One of the services of our college is the well-equipped, carefully supervised library.

Miss Pearl Garbrick is the librarian, and has assistants who will help you get acquainted with the study aids that are available. These fellows and girls will check out your books and extend a warm hand for all fines for overdue books.

Incidentally, the college cannot afford bouncers; it is up to you to maintain silence.

---

#### ATTENTION CROONERS

Miss Garbrick, music instructor here at our Center, has announced that the popular Community College Chorus will resume its activity with a meeting scheduled for Tuesday Evening, September 22, in the Music Room at 7:30 p.m.

All willing and able crooners, canaries, songster, etc., are cordially invited to join the Chorus. The Chorus is well known throughout the region for its fine programs presented at Christmas and in the Spring.

The rehearsals will begin for the Christmas Program post haste following the organization meeting.

#### TRADE AN HOUR FOR A LIFETIME

Do you have a free hour sometime in October? Well, if you do we have an urgent need for this free time. It takes only one hour of your time to give someone his chance of a lifetime.

The United States needs an enormous supply of blood to be prepared for any possible emergency.

Your opportunity to donate a pint of blood will come in October, so we hope to see you at the Bloodmobile.

The life you save may be in your own family.
