
Sorority News

On October 2nd the Theta Sigma Pi Sorority held its second meeting. The Freshmen girls were formally initiated into the organization. Each girl took the sorority pledge and signed the register. Refreshments followed and Wilson Barto took pictures of the group and the officers.

Plans for the next meeting are being formulated by President Harriet Tulin and adviser Miss Helen Dassenbauh. The meeting will be held sometime next week.

Dorm News

The Mu Delta Sigma is once again in the news. The fraternity held a re-organization meeting last Monday night with Mr. Krockner presiding. Because of the small number of men living in the dorm this year, eight to be exact, the big question was whether the frat. would be continued or not. It was decided by popular vote to continue the Mu Delta Sigma and an election of officers followed. Cal Shipman was elected to the office of president. Paul Wanko, a newcomer to the dorm, was elected vice president. Norm Hall was chosen as secretary, and Berni Gronniak was elected to the office of treasurer. The judicial committee was then appointed with Bob Henney as chairman and Joe A. den and Frank Gattas elected to serve on the board.

Thus, the Mu Delta Sigma is once again in operation. If the past record of the fraternity is duplicated this year, some big things should be in the making.

Penn State Homecoming Game.

Interest is stirring among the Student Body here at Hazleton Center on the probability of running a bus to the Penn State--Texas Christian University football game, October 24. If such a bus is to run, it will mark the first time a delegation from the Center has attended, as a body, a sports event at the Main Campus. Planning and preparation are still in the "hopeful stage" since the possibility of available tickets and transportation is questionable. Mr. Peightal, athletic adviser, was consulted and a letter to the campus is being drawn up to find out if tickets can be secured at a reasonable rate. A thirty-three passenger bus is being considered and a list is being made up to determine the number of students who want to make the trip a success. If the trip can be made at a reasonable rate (which this reporter is striving to accomplish) as many students as possible will be accepted. Names will be taken on the first come first served basis and can be given to "Pundi" Turnbach throughout next week and not later than October 16th. You--the student body--can only make this trip possible. So your support will be graciously accepted.

The Air Force Blue

Air Force Blue swarmed the campus on Monday, as most of the cadets donned their uniforms for the first time. To most of the students it was odd to see so many air-men at one time. Last Friday Captain Carper and an aid from Main Campus issued the uniforms to the freshmen. Although most students were fitted with a uniform, there were some that didn't receive overcoats, or hats; these items will arrive at a later date.

This is only the second year that the Center's AFROTC Cadets have had the blue uniforms. We think that the blue is much neater looking than the kjacki.

AFROTC Scrapbook

The newly appointed adjutants were quickly assigned a duty by Captain Carper.

A wooden-bound AFROTC Scrapbook is near completion. This volume will contain photographs of all the ROTC activities of the past year. It will also have between its covers all the news clippings found in the COLLEGIAN and the Hazleton Newspapers.
