EDITORIAL THANK YOU

The staff and readers of the Collegian would like to thank Rev. Richard M. Rutter, Pastor of the Christ Lutheran Church of Conyngham, for the use of his mimeograph machine. Through his cooperation, the first three issues of the paper were made possible.

The center's mimeographing apparatus was out for repairs for the past few weeks and without Rev. Rutter's machine the staff would have had to print the Collegian with pen and ink.

To Reverend Rutter we say, "Thank you!"

Attention all students:

Your faculty advisers are now in possession of your four week warnings. It is important that you see your adviser as soon as possible.
