"SEEING BLUE"

Night lamps burned late this week as blue books were given in History 21, Pyscology, and Zoology 25.

The boys in blue couldn't believe the notice, which they saw on the black-board in s-101, which read, "No AFROTC class 6th period." You weren't disappointed were you boys?

Who did the fancy soap drawing on th blue Ford? Did it happen at Ogontz, Norman?
