CHORUS ACTIVITIES

The Community Chorus is continuing its activities this semester and it seems that they have a busy season ahead of them. With the coming of the Christmas Holidays, a program has been set up which promises to keep the members of the chorus and hiss Garbrick on the go_0

The program of Christmas music includes many selections which are enjoyed by people from all parts of the country. The membership, which includes college students and community participants, has been turning out to the weekly Tuesday meetings with a great deal of interest in order to make the chorus a success.

Because a complete list of membership names could not be obtained in time for this edition, next week's Collegian will carry this information.

We wish the chorus loads of luck with all of their appearances and we, of the Collegian staff, are sure that they will do their best.
