

Chippy: Hi fellow students:

Here's your old friend Chippy back once again with the latest campus gossip.

You know Mary Donish is really becoming popular. I hear she's going to have the job of raising the flag on Sat. mornings. (Speaking of the flag that flagpole really looks happy now---doesn't it?)

The otherday I walked in the cafeteria wher I Heard (the) Earl Dittbrenner giving some worthy advice to Bill Morse, who seemed to be having a disagreement with Flo Pusti. Earl said "now listen, Bill, the easiest thing to do is answer 'I don't know' to everything." A few minutes later, Miss Pusti said, "well, Bill, What are you, a man or a mouse?" Taking Earl's advice Bill answered, "I don't know" Now, now Earl That't the second person you fouled up this semester.

The other day I heard Mary Jane Skoff tell Lillian Junas that all you need to attain success is push. She said-"push will get you anywhere." Lillian immediately responded "Oh yeah?" did you ever try to push a door marked pull?"

Mary Rock's definition of a go-getter-
a man who runs out of gas 2 miles from a gas station.

The other day I heard Bob Henney talking to one of his friends. He said, "I love work." His friend said, "Well if you love work why don't you find it?" He said, "alas, love is bling!"

I heard that the Vet's smoke "impromptu cigarettes". They pick them up as they go along.

I heard a few of the boys talking to Frank Gattas the other day. They said, "So you went out last night and raised the roof---I guess you finally got drunk." Frank answered "Oh no, you have to be drunk first to get the way I finally got."

case you didn't know, I was at the semi on Friday night and from where I was sitting, I could see that Evelyn Tomasko and her dteam man from the campus were enjoyin themselves immensely. That lovable expression on Bernie's face caused me to wonder if it was Evelyn or the punch that set him smiling.

Harriet Tulin, another gal with a campus beau, dance around like Cinderella with her Prince Charming. One difference, Harriet did not have to be home by midnight.

The most romantic looking couple was Bob Henney and Mary Bissol. The cloud they were dancing on was so high that Bob was as tall as Norm Hall. Some cloud!!!!!!

To change the subject for a minute, I dropped in on Mr. Wilcox and his fourth period Comp. class. It seems two fair damsels, namely H. Tulin and N. Maue, are the reason our beloved Comp. Prof's hair is coming out. Come on, girls, let's be a little more quiet.

Two of our Prof's surprised their classes. Mr. Peightal surprised his first period history class with a quiz. Mr. Kreckler surprised his Psy. class with an announcement pertaining to a Psy. test for Wed. Boy, do I like surprises, don't you?

Veron Raos is holding an investigation to find out who soape his car windows Thursday night. I understand the penalty is "the culprit has to "DRAG-A-NET" up and down the hill five times." Vern, how could you be so cruel?

HAPPY THANKSGIVING, EVERYBODY---Love, Chippy.
