An appeal was made by the College Arts Society, at the council meeting for additional funds to finance the production of a play next semester. George Mastrian, representing the society, quoted \$40 as the absolute minimum needed to finance the venture. President Cal Shipman explained the tightness of the budget prevented the council from appropriating money at this time. It was mentioned, however, that should a financial surplus exist next semester, the society would be given first consideration. To maintain interest, the council passed a motion to permit the society to use the money originally allotted to finance the last movie to finance the play.

Councilmembers Roy Atherholt and Jack Taluskie announced a movement is underway to "Bring back the ping-pong table". The council agreed to place the matter before the student-faculty board on Friday.

The last item of business was the formal acceptance by Mr. and Mrs. Willard Grubbs and Mr. and Mrs. Walter Carper to serve as chaperones for the ROTC ball Saturday evening.

THE BALL

The big day for the annual AFROTC Military Ball is nearly at hand. Tomorrow morning, bright and early, a group of the cadets will decorate the Eagles' Ballroom for the gala affair, which will begin tomorrow evening at nine o'clock.

Highlighting the eventing will be the Grand March of all those in attendance, and the crowning of the Queen of the Ball. This young lady was selected by a group of reserve officers in Hazleton, who carefully perused the photographs of the girls being escorted by the local cadets. The Queen will be presented with a bouquet of roses and a floral crown.

A buffet dinner will be served in the latter part of the evening and the dancing will last until 1:00 am.

During the affair a tape recording will be made by a member of the local radio station's staff. This tape will feature interviews of several of the people who attend the dance. The tape will be broadcast over WAZL at 11:15 the same evening.

COLLEGE ART SOCIETY NEWS

As the second presentation of the College Art Society, Monday evening, January 11, at 8:30 in the main lounge, Mr. Grubbs will give a reading of The Devil and Daniel Webster, a popular story by the late Pulitzer Prize winner, Stephen Vincent Benet. This presentation promises to be both interesting and entertaining.

The Student Council has agreed to give the College Art Society an appropriation with which to carry out a dramatic program next semester. This project will be a play to be put on by the students. Anyone interested in any phase of dram-
