THE COLLEGIAN NEEDS REORGANIZATION //

If you are among the energetic, ambitious students here at Highacres,  
READ THIS ARTICLE //

The purpose of the Hazleton Collegian is to bring the students up to date with the various activities that take place in our midst. To do this the REPORTERS THAT TURN IN NEWS ARTICLES MUST BE DEPENDABLE, PUNCTUAL, AND WILLING TO SPEND A HALF-HOUR OF SOLID, HONEST-TO-GOODNESS, WORK ON THE PAPER.

The paper should be an asset to the school.

If you feel that you can handle a position on our college paper, PLEASE MAKE PLANS TO ATTEND THE REORGANIZATION MEETING THAT IS SCHEDULED FOR FEBRUARY 8, THE PAPER NEEDS REPORTERS AND TYPISTS, NOT ACTIVITY POINT SEEKERS.

(Ed. note: It certainly looks as if we need typists.)

DID ANYONE SEE SOME SPIRIT FLYING AROUND ??

What has happened to the school spirit at Highacres ?? It certainly has fallen by the wayside somewhere along the line, at least as far as basketball games are concerned. Wednesday night the basketball team ( they expect to come out on top this year ) played their fourth home game. The Keystone team, which traveled a considerable distance to Hazleton High School, was represented nearly as well as the Highacres boys. In fact Keystone had more students in attendance than we had. Of the nearly two hundred students enrolled at Highacres, exactly eleven attended the game. That must be some kind of a record ( rotten record ). The basketball team is sponsored out of funds which you yourselves pay, and the games are free, the distance you must travel is not great: we have a good team, and they deserve your support. No one is loaded down to the point where they can't spare two hours to watch a good basketball game. All that can be said at the present time is, " Get o the ball fellow students and support the team."

Their record thus far is impressive; they've lost only one game out of six, and they are expecting to make that up on their return match. Here is the league standings to date; NOTE WHERE HIGHACRES STANDS.

TEAM	WON	LOST	PERCENTAGE
Johnstown	3	0	1.000
Hazleton	5	1	.850
York	2	1	.667
Hershey	1	1	.500
Keystone	1	2	.333
Mont Alto	0	3	.300
Altoona	0	4	.000

Highacres bows for first time.

Our Penn State Center quintet went down to thier first defeat at the hands of Johnstown by a heartbreaking score of 65-64. This catastrophe happened a week today at the Hazleton High gym before a pitiful small but spirited group of followers.

The Pitt center did an effective job of freezing the ball in the dying minutes of the game, but our boys tried to get possessinn of the ball and made an intenional foul. A good free throw by a Pitt man made the score 65-62 Johnstown in the lead. Hazleton raced down the court and Bob Boyle set loose an arching shot that swished through the hoop to pull us within a single tally 64-65. The whistle sounded a few seconds later to end the game.

Norm Hall was high man fob the HUCsters, with Bob Boyle, Stan Gruszewski and Clint Frank also hitting the double deckers. Vern Raos showed some classy floor work. Paul Hammett and Tom Guier were the best bets for the Johnstown five.
