

STUDENTS ENJOY GAME, THEN DANCE.

Following the closely-fought game with Johnstown, the "faithful few" followers and the team, strutted into our main lounge, where they enjoyed the rest of the night dancing and getting acquainted with the rooters and team from Johnstown Pitt. Pat Tomcho was a good hostess. Bill Burcin introduced Pat to the Pitt team members, and she rapidly spread the trend by getting more of our girls, mainly Jan Magavich and Harriet Tulin, acquainted with the handsome Pitt Center boys, who were sociable and friendly.

The most enjoyable event of the evening was a jitterbug show by Pitt coach David Ed. Carolyn Arlotto was the first victim and she really got a workout. Everyone at the dance stopped to watch the jazzy steps of the active coach as he clicked his heels and fingers to the snappy music. Margie Brehm was quite an attraction to Jim Wilkes, also a sharp dancer, while Paul Hammett was closely watched by a certain freshman coed.

Everyone enjoyed himself at this post-game affair; we hope you were with us. Tonight the social committee has planned another dance of this sort so we hope to see some new faces at the game and the dance. The game is at the Hazleton High Gym.

HAZLETON CENTER BOPS ALTOONA

Our hoopsters from Highacres slid back into the winning column with a vengeful win over Altoona at the H.H.S. gym last Saturday night by a score of 74-65.

Our Center five had too much power for the Altoona boys, although the score wasn't lopsided. All of the Hazleton boys saw action. Tall Norm Hall was again high scorer for the HUCsters with a total of 26 tallies. Bob Boyle sank in 14 counters, most of them sizzling set shots; while Jackie Polchin banked in 11 points. Polchin, along with Raos and Michaels, proved to be good playmakers.

Altoona only used five men, four of them hitting for 60 points.

TOP FORM SHOWN AGAINST KEYSTONE.

Our snappy Center quintet hammered the Keystone five Wednesday night at the HHS gym by the score of 81-47. Our boys showed a peak performance and went on to win their fifth game in six starts. Highacres led all the way without too much trouble, but Keystone was having trouble holding on to the ball and hitting the bucket. Coach Zack Taylor's strategy paid off by starting Jackie Polchin in the lineup. Jack led the winning attack with 26 timely markers. Norm Hall and Vern Raos sank 19 and 11 points respectively. Bob Boyle, while only getting 7 points, was an able playmaker and an all around performer.

WHAT ABOUT CHEERLEADERS?

A few of our girls (and all of the fellows) were impressed by the Keystone cheerleaders at the Wednesday night game. The Keystone lassies looked nice in their royal blue and orange skirts and waistcoats. Why couldn't we have cheerleaders to pep up our games. Maybe you think it's too late for some added attractions --- but it isn't. All we need are a few of you girls, or better yet, a group of students to sit in a special student section and cheer, clap and compliment our boys on good plays. Don't forget we can all be cheerleaders ---- if we go out and support our team.
