

AFROTC BALL IS BIG SUCCESS

Sixty cadets and their dates spent a colorful and enjoyable evening last Saturday night at the annual AFROTC Military ball. The well-organized festivities took place in the Eagles' Ball Room that was beautifully decorated with red, white and blue crepe-paper streamers by the cadet decorating committee.

Rosemarie Comisac, a lovely Tamaqua lass who was escorted by Bob Scott, was crowned Queen of the Ball. She accepted a floral crown and a dozen red roses from Cadet Lt. Col. McGeehan while fighting a flow of royal tears of surprise and happiness.

All the guests participated in the Grand March, and a group of cadets formed an honor guard through which the Queen passed for her coronation.

After a few hours of dancing, and the crowning of the Queen, a well-prepared, delicious buffet dinner was served that consisted of such tasty dishes as potato salad, cole slaw, macaroni salad and cold cuts.

The committee for the dance included:

Chairman- Roy Atherholt

Co-Chairman- Jack Taluski

and

Bill Morse

Hugh McGeehan

Donald Rantz

Paul George

Bob Scott

James Corrigan

George Mastrian acted as master of ceremonies, and WAZL aired a fifteen minute broadcast featuring several interviews with the guests.

MR. GRUBBS GIVES READING

In spite of poor weather and driving conditions, a fine crowd was on hand last Monday night to hear the reading of THE DEVIL AND DANIEL WEBSTER as given by Mr. Willard Grubbs. The reading was sponsored by the College Arts Society and was attended by several of the students' parents.

Mr. Ward, advisor to the society, informed those present that a Spanish and a French film will be presented at the college in the near future.

Last Friday the College Arts Society held a special meeting in M-208 to discuss the problem of presenting a play. It was decided that a one act play would be presented next semester.

MUSIC

February 9, 1954 will be the first rehearsal of the newly organized Community Chorus. Miss Garbrick, assistant professor of music and director of the chorus, has an interesting program to offer to all those students who are interested in singing GOOD MUSIC.

The program will include choral music from the 15th century, to music by contemporary composers. Music by such great masters as Purcell, Palestrina, Mozart, Handel, Brahms, and Schubert will be presented.

Present plans also include accompaniment by an instrumental ensemble. Any student who can play an instrument and is interested in participating in this group is asked to contact Miss Garbrick.

The chorus will sing before the Hazleton Women's Club May 10, and the chorus's annual concert will be held May 18.

It is the hope of the officers of the chorus and of Miss Garbrick, that more terminal credit students will join and help the chorus along to another successful season. See you February 8!

Plans are being made for a group of Center students to give blood on February 8, when the Bloodmobile will be located at Conyngham. All those students who wish to donate blood and who can get consent of their parents if needed should see our college nurse as soon as possible.

This college made a fine showing with a similar project last semester.

Blood is needed for many purposes. It not only sustains your life, it may save someone else's.
