STUDENT COUNCIL PUBLICIZES IDEA OF STUDENT UNION BUILDING FOR HIGHACRES

Members of Student Council voted unanimously, at the regularly scheduled meeting, **Wednesday**, to publicize the idea of a Student Union Building to students not familiar with the plan. The idea of a Student Union Building, which originated in Student Council, was recommended as the result of the passing of a formal motion at the meeting held January 13. This recommendation stated that the Student Council "is in favor of a new Student Union Building and an additional assessment not to exceed \$5.00 per student per semester, pending approval of the student body." If approved by the student body, such a move would have to be approved and probably underwritten by main campus authority. Because of the time consumed negotiating this plan in conjunction with campus authority, the students presently enrolled would not receive the daily benefit from such a Student Union Building, but on the other hand they would not be assessed for it. Council members are now drawing up a referendum and will circulate it in order to find out the opinion of the students.

TAYLORITES WIN "BIG ONE" 77-74 Must Win at Hershey, Saturday, To Enter Playoffs

Playing with their backs to the wall (Ed. note: I saw no wall), Coach Zack Taylor's basketeers came through with a well-earned three point victory, at HHS gym, Wednesday night. Led by the dual scoring punch of Norm Hall and Bobby Boyle, 24 and 17 points respectively, Hazleton Center thrilled a noisy crowd as it handed York Junior College its second defeat of the season.

Both York and our Mountain Lions were really "off" their shooting ability -- York hitting 26 out of 48 attempts for a 54% average, and the Lions hitting 30 out of 54 attempts for a 55% average. What started off to be strictly a scoring duel between York's Acri (27) and our Norm Hall (24) turned out to be a hard-fought battle of wits to the final whistle.

By defeating York, the Mountain Lions need only a final win this Saturday, at Hershey, to throw the Pennsylvania Junior College Conference into a three-way tie, and make the end-of-season tournament spectacularly decisive.
