

stop Allentown's sixty-game winning streak by holding their ace Bill Wanish to five points. When he came out of high school, he got a job in a factory, drove a milk truck and he held other odd jobs. Then he decided this wasn't for him, so he got a job as part time Physical Education instructor at the Y.M.C.A. In a short while, he worked himself up to full-time phys-ed director. He has played in city leagues, Y.M.C.A. leagues, Sunday School leagues and high school and college. He captained the Hazleton Center team in 1950 and was a versatile high-scoring guard.

He continued to the main campus and there played basketball with the Penn State College team. At the present time James "Zack" Taylor is teaching in the West Hazleton Elementary School and in his spare time has coached our Lions to its 9 second championship. Friday night Taylor's Terrors will enter the post-season playoffs at Johnstown, and we know his basketeers will be aiming for a successful ending to a great season. Our "Congrats" and "Hats Off" to Zack Taylor--a great guy.

*Sports Editor's Note--Commissioned at the Campus, 2/Lt. James Taylor USAFR will leave for Sampson AFB, New York in June for a course in Psychological Warfare.

TEAM MEMBERS GET HONORS:

Getting back to our team now, we have a truly distinguished group of basketeers under Coach Taylor this year according to the latest report from the Junior College League.

Each coach of the league made 10 selections of opposing players on a point basis, 10 for first choice etc., and the Highacres team is very well represented in the final analyses.

Norm Hall was the representative of Highacres on the first team and Bob Boyle was the choice of the coaches for the second team.

Receiving well-earned honorable mention were Jack Polchin, Clint Frank, and Vern Raos. Both Norm Hall, of our college, and Tony Acura, of York, broke the previous League scoring record of 247 points set by another HUCster, Gabe Lensack in 1951-1952. Norm was the highest scorer in the League with 254 points in 12 games.

The following table shows how the individual averages went for the season.
HAZLETON CENTER BASKETBALL AVERAGES:

Points Scored	Average Per Game
Hall-----254	21
Boyle-----139	11
Polchin-----125	10
Raos-----122	10
Frank----- 79	6
Gruszewski---- 78	6
Michael----- 41	3
Kobrick----- 4	?
