The results of the election will be found in next week's issue.

EN GARDE

Two semesters ago there was active interest in a fencing club. At present there is still a glowing ember of interest waiting to be fanned by a few enthusiastic athletes both fellows and girls, who will sign up for this activity in Captain Carper's office.

According to the dictionary, fencing is the art or practice of attack and defense with the sword or foil. This exercise develops poise, and is a heck of a lot of fun.

STUDENT COUNCIL NEWS

At the regular meeting of the Student Council on Wednesday afternoon action was taken to circulate petitions for the Student Union Building. Each of the student council members has a certain number of students to see to get their signatures and opinions about the building. Co-operate with the councilors so we can get rapid action on this building project.

It was reported that the basketball team was able to make their trip to and from Johnstown without additional fees from the Council. The athletic budget is still in the black.
