TARGET TRYOUTS QUALIFY MARKSHEN

Tryouts for the AFROTC rifle team have been progressing for the past several days with 19 marksmen blasting at the bullseye in an effort to make the squad.

The team will be limited to 10 cadets; therefore, those with the 10 highest scores on the rifle range will be picked. When organized, our boys will compete with other ROTC groups in postal matches, Team members will receive distinctive insignia and the cadet with the highest semester score will receive a medal.

When visiting the rifle range you are warned to follow the direct path and not to take a short cut through the woods. A stray bullet and a careless foot may cause and ari conditioned medulla oblongata or an extra large perforated ear drum.

CAMPUS GIGGLES

On Monday while sitting in English Comp 5 Class, the students saw the door open slowly. In strolled John McGraw. He looked around, found an empty seat and sat down. Then he looked around again. Finally, he got up and started toward the door saying "I think I'm a little mixed up". John's class wasn't till next period and he didn't realize it until he was already seated. The moral of this story is: TRY TO REMEMBER WHO'S IN YOUR CLASS BEFORE YOU COME IN!!!
