TRAFFIC RULES

1. All student cars must be registered with the Traffic Committee.
2. Student cars must be parked in the parking lot at the bottom of the hill only. Exceptions to this rule, for urgent reasons, will be approved by the traffic committee.  
Note: Cars on the student parking lot must first use all the parking places around the perimeter of the lot, each car parking at a right angle to the edge of the lot.
3. No student cars may be parked at the top of the hill, in the main driveway, anywhere along the main driveway, or in any of the lanes or paths leading off the main driveway. Student cars without special parking permits shall be permitted at the top of the hill only for the purpose of loading or unloading passengers.
4. A 15 mile-an-hour speed limit must be observed everywhere on the campus driveways.
5. Student appeals from penalties for violations of parking rules may be submitted to the Traffic Committee within one academic week following the receipt of a parking violation ticket. All appeals must be written and may be handed to the secretary in the main administrative office.
6. Registration of 1954 license plate numbers will begin March 15 and will end April 1, 1954.
7. A fine of \$1 will be imposed for the first violation of any of the above rules. A fine of \$2 will be imposed for the second violation. Upon the third violation, the student will be fined \$3 and will be referred to the committee on student discipline.
