DIG THOSE CRAZY SHIRTS !!

With spring just around the corner the bookstore has gotten the newest clothes for spring fashion. A fresh new supply of white and blue T-shirts and sweat shirts with Penn State written on them have just come in, so there are a good supply of sizes, shapes, colors and forms. Instead of spending these warm spring days wearing an undistinguished shirt, jump into a new Penn State shirt and be in the height of fashion. (Ed. note. These are fine for any type Easter Parade.) But to make sure that no one will be trampled in the rush to get these clothes, the " powers that be " have had to put a limit on the number to each person. So from new on ther's a limit of one dozen per person. With that restriction you had better hurry, for they're gein' fast.
