MR. KOSTOS NEW ADMINISTRATIVE HEAD

Congratulations are in order for Mr. Frank C. Kostos, who has been appointed as administrative head of our Center. Mr. Kostos, as you know, succeeds Merle E. Campbell who was recently placed in charge of extension administration throughout the state.

With the local University Center since February 1946, Mr. Kostos has been assistant administrative head for the past seven years, in this capacity being responsible for the building and operating the schedule of classes at the Center; acting as Center registrar in interviewing prospective students and arranging course schedules; and being counsellor to veterans.

Mr. Kostos did his own college work in engineering at Bucknell University. There he was prominent in varsity athletics: center on the football team and guard on the basketball team. Sigma Chi fraternity honored him with the Balfour Award as the most representative fraternity man in that area.

After several years of engineering work, and experience as assistant football and basketball coach at Bloomsburg State Teachers College, Mr. Kostos became a teacher and coach at Mt. Carmel High School. By 1939 he had also earned a Masters Degree in Education at Bucknell.

We are happy that Mr. Kostos has been elevated to the position of administrative head of our Center, and we as students know that our cooperation with him will make his work more enjoyable.
