

THE END.. UPPERCLASSMEN

FRANK GATTAS

Francis "Bad Hand" Gattas is another ex-Army man enrolled at Highacres. Corporal Gattas plans to major in "Soc.", claims it beats digging coal in Shenandoah. Our corporal has a mania for hard-shells, girls, dancing, girls, War stories, girls, bumming cigarettes, girls, Tums and girls. To us at Highacres Frank's funn-living personality and quick wit will be remembered long after those six (6) suits he brags about wear out.

CLINT FRANK

A member of last season's successful basketball team, "Four Fouls" Frank is an ex-G.I. from Hazleton. "Old Slow-Motion" is a hybrid enrollee hung up somewhere between Liberal Arts and Engineering who plans to major in a Math Ed. (now you're as confused as we are.) Clint Frank, (Who is only friendly to people who like to push blue-chevrolets) is usually seen in the presence of "the Bear" (or N.K.). Clint has a weakness for lining up the "boys" of the "chowder and marching society" for a parade to Berwick or an assault on "Joe's."
