

"THANX"

These paragraphs you are about to read formulate a thank you note to all those who pitched in to give the COLLEGIAN a record of a paper every week of classes. Some college newspaper staffs spend a small fortune every time they publish their paper. They put out a paper that resembles a city daily, but with one drawback, most of the "news" is either History or predictions. Because of the high cost of a printed paper as these, the frequency of publications is limited to three or four a year. The Hazleton COLLEGIAN does not boast a beautiful paper, but it does say that it is economical and that the news is news because it is a weekly publication.

Now to get down to the purpose of this article. The COLLEGIAN doesn't come out just by cranking the lever on the mimeograph machine, even though it sometimes appears that way. To put out the paper articles must be written and the stencils have to be cut. The pages must be stapled and exchanges must be sent out. All this takes the efforts of a student staff and a faculty advisor.

Without the efforts of Shirley Ray, Ellen Iffert, Merri Lu Lotito, Mary Jane Skoff, Lilli Junas, Ilona Weltman, Norm Hall, Art Teel, Bob Henney, Bob Stauffer, and Bernie Gromniak the COLLEGIAN'S record for publications would not be quite as impressive. Without the Sports writing, Joke Writing, and typing skills of Pundi Turnbach, many an issue would have failed to come out. "Thanx" also goes to Mary Donish and Ginger Muscavitch for sending our paper to the other Colleges.

Mr. Grubbs, the COLLEGIAN'S Faculty advisor, deserves a special thanks for his free hand concerning the content of the paper and also for his patience and cooperation on mimeographing days. His suggestions were always a benefit to the paper and the "eidtor" would have been lost many times without Mr. Grubb's helping hand.

Once again, we say "THANX" to everyone who aided in getting the COLLEGIAN to the students.

Best wishes for success and happiness to all students.
