

MORE UPPERCLASSMEN —**LOIS MILLER**

One of the more conservative members of the girl's lounge, Lois is very active in the Choral Club, Parnassus and Theta Sigma Pi. Very interested in music, she plays the trumpet and takes vocal lessons. All will remember her contribution to May Day-as herald.

HUGH McGEEHAN

Hugh is an Irishman to the core. Soft-spoken and fun-loving, "Hug" enjoys a laugh and shows it by turning a bright red. He takes his duties seriously and very seldom wastes any time. As leader of the AFROTC Drill Team, he showed a quality of leadership and displayed a "snappy" cadence to the benefit of the Corps. Hugh ends his stay here at Highacres with four semesters in Arts and Letters behind him. Next stop, State College, Pennsylvania.

MARY BISSOL

Full of fun and fancy free, Bissol can always be recognized by her hearty laugh. Whenever he isn't in the middle of a joke or some other predicament (whenever that could possibly be) she is trying her best to study. We'll miss Bissol and her fun-loving, sincere, and friendly way.

ROY ATHERHOLT

Roy, soon to Scotty Parson's Orchestra and to Highacres, ends his fourth semester here in Business Administration. When we had a ping-pong table, Roy reigned as Champ. He was active in Student Council and on the Traffic Committee. He also played a good game of softball for the Night Hawks. Cadet Roy did a fine job as a flight leader. During the hectic days of the ROTC Ball he, as chairman, got the boys out raising funds and decorating and the like. He was also a member of the snappy AFROTC Drill Team. His plans now are to head for the campus, where he will be in advanced AFROTC, start up an orchestra, graduate, and then tie the knot to a young lady from West Hazleton.

PAT TOMSHO

One of the more active members of the class, Pat is secretary of Student Council, a member of Parnassus, a part-time librarian, and a member of Theta Sigma Pi. When not actively participating in or building school spirit for the extra-curricular activities, she drives around in her little Austin.

NANCY KIBLER

Though quiet and reserved, Nancy is a friend of many at Penn State Center. Very versatile, Nancy has many hobbies, ranging from fishing to being a capable seamstress. Besides being a member of Theta Sigma Pi, she was chosen Miss Highacres of '54.
