

MORE UPPERCLASSMEN

MARY DONISH

Sometimes conservative, other times happy-go-lucky, this describes Mary, our able Sorority Secretary. Besides being an active Theta Sigma Pi member, Mary spends much of the time in the girls' lounge getting into the fun and giving an understanding work now and then. We won't forget her talent for knitting, her French beret, and her ukelele.

CARL BYSUHA

Carl completes a two-year hitch here at Highacres, to enter a tour with the US air force as an Air Cadet. He hails from Freeland and in true "collegiate" style keeps up with the women of that area. Carl is a happy-go-lucky fellow who is quite good at guessing in an objective exam. We wish him luck as a Cadet.

HARRIET TULIN

Harriet is one of the sophomores whom Highacres will lose to the Main Campus next fall. A major in sociology in the College of Arts and Letters, Harriet plans to do social service case work when she gets her degree. She is getting experience this summer by working as a camp counselor. Very popular, Harriet was the president of Theta Sigma Pi, and was elected this year's May Queen. She likes books, and sports and has one pet peave... people who are late.

RALPH WHITMER

Ralph carries on efficiently the full-time job of Pastor at the Bethel Baptist Church in Freeland as well as his work at the Center. Despite his double work schedule, he has been on the Dean's list for the whole four semesters he has been at Highacres. A married man with two children, Ralph is also president of the Freeland PTA, a fact of which he is justly proud. Ralph's greatest interest is in his ministerial work and is particularly interested in young people and their activities. Next fall, Ralph plans to continue his studies as a social science major at Wilkes College.

JOHN DONOVAN

By the time this publication comes out, Jack will probably have become a "proud pop". Jack is a former Air Force mechanic who can give you the scoop on anything that flies. He enrolled in this Center three semesters ago, and it was only a few weeks later that he hitched himself to Mildred. Right now Jack is in Arts and Letters and intends to spend another semester here at Highacres. Last semester Jack was a sincere member of Student Council.
(Editor's note- Hope it's a boy.)
