

MORE UPPERCLASSMEN

EARL DITTBRENNER

Earl is one of our students who will enter matrimony this summer. He's in good standing scholastically and plans to continue his last two years at the campus. Earl will be remembered as "Lit 20", and for his shiny white teeth.

ERNEST KOONS

Hailing from Benton, Pa., Ernie is one of our farmer boys. He is noted for his golden hair and conservativeness, and is very quiet.

JOSEPH SCHUMACHER

As whizz of the Accounting Class, Joe, is consistant in chalking up 3's. He lends a helping hand to any of the students who are snowed by the facts and figures of Business Administration. Now and then Joe dabbles in the strange powers of hypnotism. (This may account for some of the threes.) Joe was a member of Uncle Sam's Army, and intends to continue his fourth semester here at the Center.

ANDREW BIAS

The up and coming entrepreneur, is also a camera fiend and pursuer of Irene. Andy finishes his third semester here at the Center in Business Administration, where most of his spare time was spent brushing up on his Econ. Andy will be among the summer students and also among the Centerites the next semester.

JOHN TALUSKIE

Campus bound Jack is now going into his fifth semester in Business Administration. His '31 Packard is the apple of the Senator's eye. Jack was an active Council member, AFROTC officer, and softball player. He also was one of the distributors of parking tickets. Jack is a pleasant fellow and good friend, to see him succeed will make us happy.

RANDALL GRASLEY

"Rocky" is an import from the Metropolis of Berwick, Pa., where he was energetic high school athlete. Rock is pursuing Pre-dentistry and will remain here at the Center for one more semester. He was a Squad Sergeant of the AFROTC Drill team and a flight leader squadron of the unit.

BOB VALAIK

Bob is now enrolled in his third semester in the College of Business Administration. In the first semester of this year he was elected Vice-President of the Freshman class. A member of both the Drill Team and Rifle Team, Fuse also was a Lieutenant and flight leader in Squadron "a" of the AFROTC Unit.
